PROXY STATEMENT

FOR THE 2006 ANNUAL MEETING OF STOCKHOLDERS

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The accompanying Proxy is solicited on behalf of the Board of Directors (the "Board") of IRIDEX Corporation, a Delaware corporation (the "Company" or "IRIDEX"), for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the principal executive offices of the Company located at 1212 Terra Bella Avenue, Mountain View, California 94043 on Thursday, June 8, 2006, at 10:00 a.m., Pacific Daylight Savings Time, and at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Company's telephone number is (650) 940-4700.

These proxy solicitation materials and the Annual Report on Form 10-K for the fiscal year ended December 31, 2005, including financial statements, were mailed on or about May 5, 2006 to all stockholders entitled to vote at the meeting.

Record Date and Share Ownership

Stockholders of record at the close of business on April 13, 2006 (the "Record Date") are entitled to notice of and to vote at the meeting and at any adjournment(s) thereof. At the Record Date, 7,765,829 shares of the Company's Common Stock, par value \$0.01 per share, were issued and outstanding and held of record by approximately 66 stockholders.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by (a) delivering to the Company at its principal offices to the attention of the Company's Chief Financial Officer a written notice of revocation or a duly executed proxy bearing a later date or (b) attending the meeting and voting in person.

Voting

Each stockholder is entitled to one vote for each share of Common Stock held by such stockholder. Holders of the Company's Common Stock are the only securityholders of the Company entitled to vote at the Annual Meeting. The stockholders may not cumulate votes in the election of directors.

Solicitation of Proxies

The cost of this solicitation will be borne by the Company. The Company has retained the services of The Proxy Advisory Group, LLC (the "Agent") to perform a search of brokers, bank nominees and other

Table of Contents

institutional owners and to solicit proxies. The Company estimates that it will pay the Agent a fee of \$10,000 for its services and out-of-pocket expenses. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or other electronic means.

Quorum; Abstentions; Broker Non-Votes

Votes cast by a properly submitted proxy card, or voted by telephone or by using the Internet or in person at the Annual Meeting will be tabulated by the Inspector of Elections (the "Inspector"). Holders of a majority of shares entitled to vote must be present at the meeting or represented by a properly submitted proxy card, or voted by telephone or by using the Internet in order for a quorum to exist. The Inspector will also determine whether or not a quorum is present. Except with respect to the Election of Directors under Proposal One, which will be decided by a plurality vote of the votes duly cast at a duly held meeting at which a quorum is present, the affirmative vote of a majority of the votes duly cast at a duly held meeting at which a quorum is present is required under Delaware law and the Company's Bylaws for approval of all proposals presented to stockholders.

Shares that are timely voted by telephone, the Internet or a properly dated, executed and returned proxy card will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted (i) FOR the election of the nominees for directors set forth herein; (ii) FOR the approval of the amended and restated 1998 Stock Plan; (iii) FOR the ratification of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 30, 2006; and (iv) in the proxy holder's discretion, upon such other business as may properly come before the Annual Meeting or any adjournment thereof.

Pursuant to Delaware law, the Inspector will treat shares that are voted "FOR," "AGAINST" "WITHHELD" or "ABSTAIN" as being present and entitled to vote for purposes of determining the presence of a quorum and as shares entitled to vote (the "Votes Cast") on the subject matter at the Annual Meeting with respect to such matter. With respect to broker non-votes, although broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted and, accordingly, will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

If you hold your shares through a broker, bank or other nominee and you do not instruct them how to vote, your broker, bank or other nominee may have authority to vote your shares on your behalf.

Deadline for Receipt of Stockholder Proposals to be Presented at the Next Annual Meeting

Stockholders of the Company may submit proposals on matters appropriate for stockholder action at meetings of the Company's stockholders, including nominations for the election of directors, in accordance with Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The deadline for submitting all proposals by any stockholder to be presented at the 2007 Annual Meeting of Stockholders must be received by the Company at its principal executive offices, attention: Secretary, no later than January 5, 2007 and must otherwise be in compliance with applicable laws and regulations in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

In addition, the Company's Bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals not included in the Company's proxy statement, to be brought before an annual meeting of stockholders. To be properly brought before an annual meeting of stockholders outside

Table of Contents

the processes of Rule 14a-8, notice of nominations for the election of directors or other business proposals must be delivered in writing to the Secretary of the Company at the principal executive offices of the Company no later than January 5, 2007. However, in the event the date of the 2007 Annual Meeting of Stockholders is more than 30 days before or after (other than as a result of adjournment) the one year anniversary of the 2006 Annual Meeting of Stockholders, notice by the stockholder to be timely must be delivered in writing not later than (i) 60 days before the 2007 Annual Meeting of Stockholders, or (ii) 10 days after the day on which a public announcement of the date of such meeting is first made.

If a stockholder intends to submit a proposal at the Company's 2007 Annual Meeting of Stockholders which is not eligible for inclusion in the proxy statement relating to the meeting, and the stockholder fails to give the Company notice of the proposal on or prior to January 5, 2007 and in accordance with the requirements set forth in the Exchange Act, then the proxy holders will be allowed to use their discretionary authority with regard to proxies delivered in connection with the 2007 Annual Meeting of Stockholders when and if the proposal is raised at the Company's Annual Meeting in 2007.

Stockholder Information

A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2005, including financial statements and schedules, is enclosed with these proxy solicitation materials. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE NOMINEES LISTED ABOVE

Board Meetings and Committees

The Board held a total of seven (7) meetings during the fiscal year ended December 31, 2005. No director serving during the fiscal year attended fewer than 75% of the aggregate of all meetings of the Board and the committees of the Board upon which such director served. The Board has two standing committees, the Audit and Corporate Governance Committee and the Compensation and Nominating Committee.

Audit and Corporate Governance Committee. The Audit and Corporate Governance Committee of the Board consisted of Mr. Fitch and Drs. Hammond and Garrettson during the fiscal year ended December 31, 2005. The Audit and Corporate Governance Committee held ten (10) meetings during the last fiscal year. Mr. Fitch is chairman of the Audit and Corporate Governance Committee. Messrs. Caldwell and Tannenbaum also attend and participate in meetings of the Audit and Corporate Governance Committee. The Board has determined that each member of the Audit and Corporate Governance Committee is independent as defined under the listing standards of The Nasdaq Stock Market and that Mr. Fitch is an "audit committee financial expert" as defined in rules of the Securities and Exchange Commission (the "SEC"). Among other things, the Audit and Corporate Governance Committee reviews and advises the Board regarding the Company's accounting matters and is responsible for appointing and overseeing the work of the independent public accountants, pre-approving audit and non-audit services to be provided by the independent public accountants, reviewing and evaluating the accounting principles being applied to the Company's financial reports, reviewing and making recommendations regarding the composition and mandate of Board committees, developing overall governance guidelines, and overseeing the performance of the Board. The Audit and Corporate Governance Committee adopted a written charter in April 2004, a copy of which is available on our website at www.iredex.com.

Compensation and Nominating Committee. The Compensation and Nominating Committee of the Board, which consisted of Mr. Anderson and Drs. Hammond and Garrettson, during the fiscal year ended December 31, 2005, held four (4) meetings during the last fiscal year. Dr. Hammond is chairman of the Compensation and Nominating Committee. Dr. Garrettson became a member of the Compensation and

Nominating Committee in February 2005, and Mr. Anderson became a member of the Compensation and Nominating Committee in December 2005. The Board has determined that each member of the Compensation and Nominating Committee is independent as defined under the listing standards of The Nasdaq Stock Market. Among other things, the Compensation and Nominating Committee reviews and advises the Board regarding all forms of compensation to be provided to the officers, employees, directors and consultants of the Company, develops general criteria regarding the qualifications and selection of Board members, and recommends candidates for election to the Board. It is the policy of the Compensation and Nominating Committee to consider nominees for the Board submitted by the stockholders of the Company. For more information regarding the submission of nominees for the Board, see the discussion in "Corporate Governance Matters." The Compensation and Nominating Committee adopted a written charter in April 2004, a copy of which is available on our website at www.irdex.com.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Compensation and Nominating Committee consisted of Mr. Anderson and Drs. Hammond and Garrettson, during the fiscal year ended December 31, 2005. Mr. Caldwell also participates in discussions regarding salaries and incentive compensation for all employees (including officers) and consultants to the Company, except that Mr. Caldwell is excluded from discussions regarding his own salary and incentive compensation. Except as set forth above, none of the members of the Compensation and Nominating Committee is currently or has been, at any time since the formation of the Company, an officer or employee of the Company. No member of the Compensation and Nominating Committee or executive officer of the Company serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board or its Compensation and Nominating Committee.

Director Compensation

The monetary compensation described herein applies to each of the Company's non-employee directors. Members of the Board of Directors receive \$1,500 per Board meeting attended. The Chairman of the Board receives \$2,000 per Board meeting attended. Members of the Audit and Corporate Governance Committee and the Compensation and Nominating Committee receive \$1,000 per committee meeting attended, and the Chairman of each of these committees receives \$1,500 per committee meeting attended. In addition, directors are also reimbursed for reasonable out-of-pocket expenses incurred by them in attending such meetings.

The Company's 1995 Director Option Plan (the "Director Plan") was adopted by the Board in October 1995, approved by the stockholders in January 1996 and expired in October 2005. As of April 13, 2006, options issued under the Director Plan to purchase 101,250 shares remained outstanding and subject to the terms and conditions of such plan. The Director Plan provided for the automatic and nondiscretionary grant of a nonstatutory stock option to purchase 11,250 shares of the Company's Common Stock to each non-employee director on the date on which such person first becomes a director (the "First Option"). The First Option becomes exercisable as to one-twelfth (1/12) of the shares subject to the option each quarter and vests over a three-year period. Thereafter, each non-employee director was automatically granted an option to purchase 3,750 shares of Common Stock on July 1st of each year, if on such date he or she had served on the Board for at least six months (the "Subsequent Option"). The Subsequent Option becomes exercisable as to one-fourth (1/4) of the shares subject to the option each quarter, commencing one quarter after the First Option and any previously granted Subsequent Option have become fully exercisable. The Director Plan provided that the exercise price of options granted thereunder be equal to the fair market value of the Company's Common Stock as of the date of grant.

On July 1, 2005, Drs. Garrettson and Hammond and Messrs. Anderson and Fitch each received automatic and non-discretionary grants of nonstatutory stock options to purchase 3,750 shares of the

Table of Contents

Company's Common Stock under the Director Plan as compensation for their services as directors. These stock options were granted with an exercise price of \$6.190 per share, are subject to vesting as described in the previous paragraph and have a term of 10 years.

The 1998 Stock Plan was adopted by the Board in February 1998 and was approved by the stockholders in June 1998. The 1998 Stock Plan provides for the grant of the following types of incentive awards: (i) stock options; (ii) stock appreciation rights; (iii) restricted stock; (iv) restricted stock units; and (v) performance units and performance shares to employees, directors and consultants of the Company. With the recent expiration of the Company's Director Option Plan, the Company anticipates that future equity compensation granted to the Company's non-employee directors will be granted under the 1998 Stock Plan. The Company plans to grant nonstatutory stock options to purchase 15,000 shares of the Company's Common Stock to each non-employee director upon such person first becoming a director, and grant an additional nonstatutory stock option to purchase 5,000 shares of the Company's Common Stock to each non-employee director each year thereafter. Such options will have an exercise price equal to the fair market value of the Company's Common Stock as of the date of grant.

Corporate Governance Matters

Independence of the Board of Directors. The Board has determined that, with the exception of Mr. Caldwell, who is the President and Chief Executive Officer of the Company, Mr. Boutacoff, who previously served as the Company's Chief Executive Officer and currently serves as senior principle advisor to the Company's Chief Executive Officer, and Mr. Donovan, who is the Vice President, Corporate Business Development of the Company, all of its members are "independent directors" as defined in the listing standards of The Nasdaq Stock Market.

Contacting the Board of Directors. Any stockholder who desires to contact our Chairman of the Board or the other members of our Board may do so electronically by sending an email to the following address: BOD@iridex.com. Alternatively, a stockholder can contact our Chairman of the Board or the other members of the Board by writing to: Board of Directors, c/o Chairman of the Board, IRIDEX Corporation, 1212 Terra Bella Avenue, Mountain View, CA 94043. Communications received electronically or in writing will be distributed to the Chairman of the Board or the other members of the Board as appropriate depending on the facts and circumstances outlined in the communication received.

Attendance at Annual Stockholder Meetings by the Board of Directors. The Company has adopted a formal policy regarding attendance by members of the Board at the Company's annual meeting of stockholders. The Company's policy is that it encourages, but does not require, directors to attend. Dr. Hammond, and Messrs. Boutacoff, Fitch, Donovan and Anderson attended the Company's 2005 Annual Meeting of Stockholders.

Process for Recommending Candidates for Election to the Board of Directors. The Compensation and Nominating Committee is responsible for, among other things, determining the criteria for membership to the Board and recommending candidates for election to the Board. It is the policy of the Committee to consider recommendations for candidates to the Board from stockholders. Stockholder recommendations for candidates to the Board must be directed in writing to IRIDEX Corporation, Corporate Secretary, 1212 Terra Bella Avenue, Mountain View, CA 94043 and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and the Company within the last three years, and evidence of the nominating person's ownership of the Company's Common Stock.

Table of Contents

The Compensation and Nominating Committee's general criteria and process for evaluating and identifying the candidates that it recommends to the full Board for selection as director nominees, are as follows:

- The Compensation and Nominating Committee regularly reviews the current composition and size of the Board.
- In its evaluation of director candidates, including the members of the Board eligible for re-election, the Compensation and Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board and considers (1) the current size and composition of the Board and the needs of the Board and the respective committees of the Board, (2) such factors as issues of character, judgment, diversity, age, expertise, business experience, length of service, independence, other commitments, and (3) such other factors as the Compensation and Nominating Committee may consider appropriate.
- While the Compensation and Nominating Committee has not established specific minimum qualifications for director candidates, the Compensation and Nominating Committee believes that candidates and nominees must reflect a Board of Directors that is comprised of directors who (1) are predominantly independent, (2) are of high integrity, (3) have qualifications that will increase overall Board of Directors effectiveness and (4) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to audit and corporate governance committee members.
- In evaluating and identifying candidates, the Compensation and Nominating Committee has the authority to retain and terminate any third-party search firm that is used to identify director candidates, and has the authority to approve the fees and retention terms of any such firm.
- With regard to candidates who are properly recommended by stockholders or by other means, the Compensation and Nominating Committee will review the qualifications of any such candidate, which review may, in the Compensation and Nominating Committee's discretion, include interviewing references for the candidate, direct interviews with the candidate, or other actions that the Compensation and Nominating Committee deems necessary or proper.
- The Compensation and Nominating Committee will apply these same principles when evaluating Board of Directors candidates who may be elected initially by the full Board of Directors to fill vacancies or add additional directors prior to the annual meeting of stockholders at which directors are elected.
- After such review and consideration, the Compensation and Nominating Committee selects, or recommends that the Board of Directors selects the slate of director nominees, either at a meeting of the Compensation and Nominating Committee at which a quorum is present or by unanimous written consent of the Compensation and Nominating Committee.

The following table summarizes our equity compensation plans as of December 31, 2005:

The 1995 Director Option Plan expired in October 2005 and no further options to purchase shares shall be issued thereunder, although outstanding options under this plan remain subject to the terms and conditions of such plan.
- (2) Includes 294,186 options available for future issuance under the 1998 Stock Plan and 57,822 shares issuable under the 2005 Employee Stock Purchase Plan.
- (3) Consists of two items. The first is a Stand-Alone Option granted to Barry G. Caldwell on July 5, 2005, entitling Mr. Caldwell to purchase up to 234,104 shares of the Company's common stock at an exercise price of \$6.07 per share, issued as a stand-alone option, outside of the Company's existing stock plans and as a material inducement to Mr. Caldwell accepting employment with the Company. The shares covered by the Stand-Alone Option vest over a four (4) year period, with 1/4th of the total number of shares subject to the Stand-Alone Option vesting on July 5, 2006 and 1/48th of the total number of shares subject to the Stand-Alone Option vesting each full month thereafter, provided that Mr. Caldwell continues to be a service provider to the Company on each such date.

The second item is a warrant issued on July 5, 2005, in conjunction with the employment of the Company's Chief Executive Officer, in consideration of services performed under a recruiting contract with Paul L. Gomory, Jr., to purchase 25,000 shares of the Company's common stock at an exercise price of \$6.07 per share. The warrant is exercisable at any time and expires on July 5, 2008.

PROPOSAL TWO

APPROVAL OF THE AMENDED AND RESTATED 1998 STOCK PLAN

The stockholders are being asked to approve the Company's amended and restated 1998 Stock Plan (the "Plan"). The Company's Board of Directors (the "Board") believes that the fundamental objectives of a long-term incentive compensation program are to align the interests of management and the stockholders and to create long-term shareholder value. The Board believes that the amended and restated Plan increases the Company's ability to achieve these objectives by allowing for several different forms of long-term incentive awards, which will help us recruit, reward, motivate and retain talented personnel. In March 2006, the Board approved the amended and restated Plan, subject to the approval of a majority of the shares of the Company's Common Stock that are present in person or by proxy and entitled to vote at the Annual Meeting. If the stockholders approve the amended and restated Plan, it will replace the current version of the Plan. Otherwise, the current version of the Plan will remain in effect. Our named executive officers and directors have an interest in this proposal.

Changes being made to the Plan

The following is a summary of changes to the Plan that the stockholders are being asked to approve:

- increasing the number of shares of Common Stock authorized for issuance under the Plan by 150,000 shares, from 1,900,000 to 2,050,000;
- reducing the maximum term of stock options granted from ten (10) years to seven (7) years; and
- amending Section 3(b) of the Plan such that any shares of the Company's Common Stock that are subject to awards of Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units with a per share or unit purchase price lower than 100% of Fair Market Value on the date of grant will be counted against the numerical limits of Section 3 of the Plan as one and one half (1^{1/2}) shares for every one share subject thereto, rather than counting such shares as two (2) shares, as currently provided under the Plan.

The proposed amended Plan does not differ from the current version of the Plan in any other material respect.

The Company believes strongly that the approval of the proposed amended Plan is essential to the Company's continued success. The Company's employees are its most valuable assets. Stock options and other awards such as those provided under the proposed amended Plan are vital to the Company's ability to attract and retain outstanding and highly skilled individuals in the extremely competitive labor markets in which the Company must compete. Such awards also are crucial to our ability to motivate employees to achieve the Company's goals. For the reasons stated above, the stockholders are being asked to approve the amended and restated Plan.

Summary of the amended and restated 1998 Stock Plan

The following paragraphs provide a summary of the principal features of the Plan and its operation. The following summary is qualified in its entirety by reference to the Plan, a copy of which is available in its entirety in the proxy materials located at the "SEC Filings" link on the "Investor Relations" page of our website at www.iredex.com."

Table of Contents

The Plan provides for the grant of the following types of incentive awards: (i) stock options; (ii) stock appreciation rights; (iii) restricted stock, (iv) restricted stock units, and (v) performance units and performance shares, which are referred to individually as an "Award." Those who will be eligible for Awards under the plan include employees, directors and consultants who provide services to the Company and its parent and subsidiary companies.

As of April 13, 2006, approximately 121 employees, directors and consultants were eligible to participate in the Plan.

Number of Shares of Common Stock Available Under the Plan. If stockholders approve Proposal 2, a total of 2,050,000 shares of the Company's Common Stock will be reserved for issuance under the Plan. As of April 13, 2006, 1,381,053 shares were subject to outstanding Awards granted under the Plan, with a weighted average exercise price of \$5.44 per share, and 255,045 shares remained available for any new Awards to be granted in the future. In addition, any shares subject to awards of restricted stock, restricted stock units, performance shares or performance units granted with an exercise price less than the fair market value on the date of grant will be counted against the share reserve as 1½ shares for every one share subject to such award. Further, to the extent that a share that was subject to an award that counted as 1½ shares against the Plan reserve pursuant to the preceding sentence is recycled back into the Plan, the Plan will be credited with 1½ shares that will thereafter be available for issuance under the Plan. On the Record Date, the closing price in The Nasdaq National Market for the Company's Common Stock was \$12.56 per share. The Company's directors and its executive officers named in the Summary Compensation Table have an interest in this proposal because they are eligible to participate in the 1998 Stock Plan.

If we experience a stock split, reverse stock split, stock dividend, spin-off, combination or reclassification of our shares, or any other change or increase or decrease in the number of issued shares effected without our receipt of consideration (except for certain conversions of convertible securities) appropriate adjustments will be made, subject to any required action by the Company's stockholders, to the number of shares available for issuance under the Plan, the number of shares covered by each outstanding Award, the price per share covered by each outstanding Award, and the numerical per-person share limits for each type of Award, as appropriate to reflect the stock dividend or other change.

Administration of the Plan. A committee of at least two non-employee members of the Company's Board of Directors (the "Committee") administers the Plan. To make grants to certain of our officers and key employees, the members of the Committee must qualify as "non-employee directors" under Rule 16b-3 of the Securities Exchange Act of 1934, and as "outside directors" under Section 162(m) of the Internal Revenue Code (so that the Company can receive a federal tax deduction for certain compensation paid under the Plan). Subject to the terms of the Plan, the Committee has the sole discretion to select the employees, consultants, and directors who will receive Awards, determine the terms and conditions of Awards, and interpret the provisions of the Plan and outstanding Awards. The Committee may delegate any part of its authority and powers under the Plan to one or more directors and/or officers of the Company, but only the Committee itself can make Awards to participants who are executive officers of the Company.

Options. The Committee is able to grant nonqualified stock options and incentive stock options under the Plan. The Committee will determine the number of shares subject to each option, but no participant will be able to be granted options covering more than 200,000 shares during any of the Company's fiscal years, except that a participant may be granted an option covering up to an additional 400,000 shares in connection with his or her initial service with the Company. The Committee will determine the exercise price of options granted under the Plan, provided the exercise price must at least be equal to the fair market value of the Company's common stock on the date of grant. In addition, the exercise price of an incentive stock option granted to any participant who owns more than 10% of the total voting power of all classes of the Company's outstanding stock must be at least 110% of the fair market value of the common stock on the grant date.

Table of Contents

The term of an option may not exceed seven (7) years, except that with respect to any participant who owns 10% of the voting power of all classes of the Company's outstanding capital stock, the term of an incentive stock option may not exceed five (5) years.

After termination of service with the Company, a participant will be able to exercise the vested portion of his or her option for the period of time stated in the Award agreement. If no such period of time is stated in a participant's option agreement, a participant will generally be able to exercise his or her option for (i) three months following his or her termination for reasons other than death or disability, and (ii) one year following his or her termination due to death or disability. In no event will an option be able to be exercised later than the expiration of its term.

Stock Appreciation Rights. The Committee may grant stock appreciation rights either alone or in tandem with stock options. A stock appreciation right is the right to receive the appreciation in fair market value of common stock between the exercise date and the date of grant. The Company can pay the appreciation in either cash or shares of common stock. Stock appreciation rights will become exercisable at the times and on the terms established by the Committee, subject to the terms of the Plan. No participant will be granted stock appreciation rights covering more than 200,000 shares during any fiscal year, except that a participant may be granted stock appreciation rights covering up to an additional 400,000 shares in connection with his or her initial service with the Company.

After termination of service with the Company, a participant will be able to exercise the vested portion of his or her stock appreciation right for the period of time stated in the Award agreement. If no such period of time is stated in a participant's award agreement, a participant will generally be able to exercise his or her stock appreciation right for (i) three months following his or her termination for reasons other than death or disability, and (ii) one year following his or her termination due to death or disability. In no event will a stock appreciation right be exercised later than the expiration of its term.

Restricted Stock. Awards of restricted stock are rights to acquire or purchase shares of Company common stock. Restricted stock vests in accordance with the terms and conditions established by the Committee in its sole discretion. For example, the Committee may set restrictions based on the achievement of specific performance goals. Awards of restricted stock may be issued either alone, in addition to, or in tandem with other Awards granted under the Plan and/or cash awards made outside of the Plan. The Award agreement will generally grant the Company a right to repurchase or reacquire the shares upon the termination of the participant's service with the Company for any reason (including death or disability). The Committee will determine the number of shares granted pursuant to an Award of restricted stock, but no participant will be granted a right to purchase or acquire more than 150,000 shares of common stock during any fiscal year, except that a participant may be granted up to an additional 150,000 shares of restricted stock in connection with his or her initial employment with the Company.

Restricted Stock Units. The Committee may also grant Awards of restricted stock units. Awards of restricted stock units are rights to acquire or purchase shares of Company common stock. Restricted stock units vest in accordance with the terms and conditions established by the Committee in its sole discretion. For example, the Committee may set restrictions based on the achievement of specific performance goals. Awards of restricted stock units may be issued either alone, in addition to, or in tandem with other Awards granted under the Plan and/or cash awards made outside of the Plan. The Committee will determine the number of units granted pursuant to an Award of restricted stock units, but no participant will be granted more than 150,000 units during any fiscal year, except that a participant may be granted up to an additional 150,000 units in connection with his or her initial employment with the Company.

Performance Units and Performance Shares. The Committee may grant performance units and performance shares, which are Awards that will result in a payment to a participant only if the performance

Table of Contents

goals or other vesting criteria the Committee may establish are achieved or the Awards otherwise vest. The Committee will establish organizational, individual performance goals or other vesting criteria in its discretion, which, depending on the extent to which they are met, will determine the number and/or the value of performance units and performance shares to be paid out to participants. No participant will receive performance units with an initial value greater than \$1,000,000 and no participant will receive more than 150,000 performance shares during any fiscal year, except that a participant may be granted performance shares covering up to an additional 150,000 shares in connection with his or her initial service with the Company. Performance units will have an initial dollar value established by the Committee prior to the grant date. Performance shares will have an initial value equal to the fair market value of a share of the Company's common stock on the grant date.

Performance Goals. As determined by the Committee, the performance goals applicable to an Award may provide for a targeted level or levels of achievement using one or more of the following measures: (i) cash position; (ii) earnings per share; (iii) individual objectives; (iv) net income; (v) operating income; (vi) return on assets; (vii) return on equity; (viii) return on sales; (ix) revenue; and (x) total stockholder return. The performance goals may differ from participant to participant and from Award to Award and may be stated in absolute terms or relative to comparison companies or indices to be achieved during a period of time.

Transferability of Awards. The Plan generally will not allow for the transfer of Awards, and all rights with respect to an Award granted to a participant generally will be available during a participant's lifetime only to the participant.

Merger or Sale of Assets. In the event of our merger with or into another corporation, or the sale of all or substantially all of our assets, each outstanding Award will be assumed or substituted for by the successor corporation (or a parent or subsidiary or such successor corporation). If there is no assumption or substitution of outstanding Awards, the Committee will provide notice to the recipient that he or she has the right to exercise the option and stock appreciation right as to all of the shares subject to the Award, all restrictions on restricted stock will lapse, and all performance goals or other vesting requirements for performance shares and units will be deemed achieved, and all other terms and conditions met. In such event, the Committee shall notify the participant that the Award is fully exercisable for a period of time as the Committee may determine from the date of such notice and that the Award will terminate upon expiration of such period.

Amendment and Termination of the Plan. The Committee will have the authority to amend, suspend or terminate the Plan, except that stockholder approval will be required for any amendment to the plan to the extent required by any applicable law, regulation or stock exchange rule. Any amendment, suspension or termination will not, without the consent of the participant, materially adversely affect any rights or obligations under any Award previously granted.

Number of Awards Granted to Employees, Consultants, and Directors

The number of awards that an employee, director or consultant may receive under the Plan is in the discretion of the Committee and therefore cannot be determined in advance. To date, only stock options have been granted under the Plan. The following table sets forth (a) the aggregate number of shares subject to options granted under the Plan during the fiscal year ended December 31, 2005 and (b) the average per share exercise price of such options.

Table of Contents

Federal Tax Aspects

The following paragraphs are a summary of the general federal income tax consequences to U.S. taxpayers and the Company of Awards granted under the Plan. Tax consequences for any particular individual may be different.

Nonqualified Stock Options. No taxable income is reportable when a nonqualified stock option with an exercise price equal to the fair market value of the Company's stock is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the excess of the fair market value (on the exercise date) of the shares purchased over the exercise price of the option. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

Incentive Stock Options. No taxable income is reportable when an incentive stock option is granted or exercised (except for purposes of the alternative minimum tax, in which case taxation is the same as for nonqualified stock options). If the participant exercises the option and then later sells or otherwise disposes of the shares more than two years after the grant date and more than one year after the exercise date, the difference between the sale price and the exercise price will be taxed as capital gain or loss. If the participant exercises the option and then later sells or otherwise disposes of the shares before the end of the two- or one-year holding periods described above, he or she generally will have ordinary income at the time of the sale equal to the fair market value of the shares on the exercise date (or the sale price, if less) minus the exercise price of the option.

Stock Appreciation Rights. No taxable income is reportable when a stock appreciation right is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of cash received and the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

Restricted Stock, Restricted Stock Units, Performance Units and Performance Shares. A participant generally will not have taxable income at the time an Award of restricted stock, restricted stock units, performance shares or performance units are granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the Award becomes either (i) freely transferable or (ii) no longer subject to substantial risk of forfeiture. However, the recipient of a restricted

Table of Contents

stock Award may elect to recognize income at the time he or she receives the Award in an amount equal to the fair market value of the shares underlying the Award (less any cash paid for the shares) on the date the Award is granted.

Tax Effect for the Company. The Company generally will be entitled to a tax deduction in connection with an Award under the Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to the Company's Chief Executive Officer and to each of its four most highly compensated executive officers. Under Section 162(m) of the Internal Revenue Code, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, The Company can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) are met. These conditions include stockholder approval of the Plan, setting limits on the number of Awards that any individual may receive and for Awards other than certain stock options, establishing performance criteria that must be met before the Award actually will vest or be paid. The Plan has been designed to permit the Committee to grant Awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such Awards.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND THE COMPANY WITH RESPECT TO THE GRANT AND EXERCISE OF AWARDS UNDER THE PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF A SERVICE PROVIDER'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE SERVICE PROVIDER MAY RESIDE.

PROPOSAL THREE
RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTANTS

Introduction

The Audit and Corporate Governance Committee has appointed PricewaterhouseCoopers LLP, independent registered public accountants, to audit the financial statements of the Company for the fiscal year ending December 30, 2006, and recommends that stockholders vote for ratification of such appointment. PricewaterhouseCoopers LLP, previously Coopers & Lybrand, has served as the Company's independent registered public accounting firm since 1993. Representatives of PricewaterhouseCoopers LLP are expected to be present at the meeting with the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Although action by stockholders is not required by law, the Board has determined that it is desirable to request approval of this selection by the stockholders. Notwithstanding the approval of this selection by the stockholders, the Audit and Corporate Governance Committee, in its discretion, may direct the appointment of a new independent registered public accounting firm at any time during the year, if the Audit and Corporate Governance Committee feels that such a change would be in the best interest of the Company and its stockholders. In the event of a negative vote on ratification, the Audit and Corporate Governance Committee will reconsider its selection.

Fees Billed to Company by PricewaterhouseCoopers LLP During Fiscal 2005

The following table presents fees (in thousands) billed for professional audit services and other services rendered to the Company by PricewaterhouseCoopers, LLP for the fiscal years ended December 31, 2005 and January 1, 2005.

	<u>Fiscal 2005</u>	<u>Fiscal 2004</u>
Audit Fees (1)	\$ 249	\$ 168
Audit-Related Fees (2)	—	—
Tax Fees (3)	—	—
All Other Fees (4)	7	9
Total	<u>\$ 256</u>	<u>\$ 177</u>

- (1) Audit Fees consisted of fees for professional services rendered for the audit of the Company's annual financial statements included in the Company's Annual Reports on Form 10-K and for the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q, as well as reviews of regulatory and statutory filings.
- (2) This category consists of assurance and related services by the Company's independent auditor that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported above under "Audit Fees." PricewaterhouseCoopers LLP did not perform any such services for the Company in fiscal years 2005 or 2004.
- (3) Tax Fees consisted of fees billed for tax compliance and sales tax consultation services.
- (4) All Other Fees consisted of fees attributable to PricewaterhouseCoopers LLP's review of the Company's previous filings under the Exchange Act, unrelated to its audit of the Company's financial statements.

Pre-Approval of Audit and Non-Audit Services

The Audit and Corporate Governance Committee has established a policy governing the Company's use of PricewaterhouseCoopers LLP for non-audit services. Under the policy, management may use PricewaterhouseCoopers LLP for non-audit services that are permitted under SEC rules and regulations, provided that management obtains the Audit and Corporate Governance Committee's approval before such services are rendered.

The Audit and Corporate Governance Committee has determined that the provision of all fees identified above under the captions "Audit-Related Fees", "Tax Fees" and "All Other Fees" that were billed by PricewaterhouseCoopers LLP is compatible with maintaining PricewaterhouseCoopers LLP's independence and has approved these non-audit services in accordance with its charter and applicable laws, rules and regulations.

Required Vote

If a quorum is present, the affirmative vote of a majority of the Votes Cast will be required to approve the ratification of the appointment of PricewaterhouseCoopers LLP. See "Information Concerning Solicitation and Voting — Quorum; Abstentions; Broker Non-Votes."

**REPORT OF THE COMPENSATION AND NOMINATING COMMITTEE
OF THE BOARD OF DIRECTORS**

General

For the fiscal year ended December 31, 2005, the Compensation and Nominating Committee of the Board of Directors established the overall executive compensation strategies of the Company and approved compensation elements for the Company's Chief Executive Officer and other executive officers. Among other things, the Compensation and Nominating Committee reviews and advises the Board regarding all forms of compensation to be provided to the officers, employees, directors and consultants of the Company, develops general criteria regarding the qualifications and selection of Board members, and recommends candidates for election to the Board. The Compensation and Nominating Committee is comprised of three independent, non-employee members of the Board of Directors, none of whom has interlocking relationships as defined by the Commission. The Compensation and Nominating Committee has available to it such external compensation advice and data as the Compensation and Nominating Committee deems appropriate to obtain.

The compensation philosophy of the Compensation and Nominating Committee is to provide a comprehensive compensation package for each executive officer that is competitive with those offered by companies of similar type and size, in the same geographical area and whose executives perform similar skills to those performed by the executives of the Company. Accordingly, the Compensation and Nominating Committee follows a compensation strategy that has used vesting terms to incentivize and reward executives as the Company addresses the challenges associated with growth. As the Compensation and Nominating Committee applies this compensation philosophy in determining appropriate executive compensation levels and other compensation factors, the Compensation and Nominating Committee reaches its decisions with a view towards the Company's overall financial performance. The Compensation and Nominating Committee strives to structure each officer's overall compensation package to enable the Company to attract, retain and reward personnel who contribute to the success of the Company.

Committee Charter

The Compensation and Nominating Committee adopted its written charter in April 2004. A copy of the Compensation and Nominating Committee charter, including any updates thereto, is available at our website at www.iredex.com.

Executive Officer Compensation

The objectives of the executive officer compensation program are to attract, retain, motivate and reward key personnel who possess the necessary leadership and management skills through competitive base salary, annual cash bonus incentives, long-term incentive compensation in the form of stock options, and various benefits generally available to employees of the Company.

Base Salary. Base salary levels for the Company's executive officers are generally targeted to be competitive with companies in the same stage of development and in the same industry and geographic area. In determining salaries, the Committee also takes into account the Chief Executive Officer's recommendations, individual experience, contributions to corporate goals and the Company's performance.

Incentive Bonuses. The Compensation and Nominating Committee believes that a cash incentive bonus plan can serve to motivate the Company's executive officers and management to address annual performance goals, using more immediate measures for performance than those reflected in the appreciation

[Table of Contents](#)

in value of stock options. The Company had an incentive bonus plan for executive officers in fiscal 2005. The Company has approved an incentive bonus plan for 2006.

Stock Option Grants. Stock options or other stock grants are granted to executive officers and other employees under the Company's option plans. These stock option or other stock grants are intended to focus the recipient on the Company's long-term performance to improve stockholder value and to retain the services of executive officers in a competitive job market by providing significant long-term earning potential. To this end, stock options generally vest over a four-year period, based on continued employment. Factors considered in granting stock options to executive officers of the Company are the duties and responsibilities of each individual, such individual's contributions to the success of the Company and other relevant factors. The Company views stock options as an important component of long-term compensation for executive officers since options motivate executive officers to manage the Company in a manner that is consistent with the interests of stockholders.

CEO Compensation

Compensation for the Chief Executive Officer is consistent with the philosophies and practices described above for executive officers in general.

PricewaterhouseCoopers LLP, our independent registered public accounting firm, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles.

Review and Discussions with Independent Registered Public Accounting Firm

The Audit and Corporate Governance Committee discussed with PricewaterhouseCoopers LLP, our independent registered public accounting firm, the matters required to be discussed by the Statement on Accounting Standards No. 61 (Communications with Audit Committees), as may be modified or supplemented (Codification of Statements on Auditing Standards), which includes, among other items, matters related to the conduct of the audit of our financial statements.

The Audit and Corporate Governance Committee also received written disclosures and the letter from PricewaterhouseCoopers, LLP, required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), which relates to the auditors' independence from us and our related entities and has discussed with PricewaterhouseCoopers LLP that firm's independence from us. The Audit and Corporate Governance Committee also concluded that PricewaterhouseCoopers LLP's provision of non-audit services, as described previously, to the Company is compatible with PricewaterhouseCoopers LLP's independence.

Conclusion

Based on the review and discussions referred to above, the Audit and Corporate Governance Committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Commission.

3. Stock Subject to the Plan.

(a) Stock Subject to the Plan. Subject to the provisions of Section 13 of the Plan, the maximum aggregate number of Shares which may be optioned and sold under the Plan is two million fifty thousand (2,050,000) Shares. The Shares may be authorized, but unissued, or reacquired Common Stock.

(b) Full Value Awards. Any Shares subject to Options or Stock Appreciation Rights will be counted against the numerical limits of this Section 3 as one Share for every Share subject thereto. Any Shares subject to Awards of Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units with a per share or unit purchase price lower than 100% of Fair Market Value on the date of grant will be counted against the numerical limits of this Section 3 as one and a half (1½) Shares for every one Share subject thereto. To the extent that a Share that was subject to an Award that counted as two Shares against the Plan reserve pursuant to the preceding sentence is recycled back into the Plan under the next paragraph of this Section 3, the Plan will be credited with one and a half (1½) Shares.

(c) Lapsed Awards. If an Award expires or becomes unexercisable without having been exercised in full, or, with respect to Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units, is forfeited to or repurchased by the Company, the unpurchased Shares (or for Awards other than Options and Stock Appreciation Rights, the forfeited or repurchased shares) which were subject thereto will become available for future grant or sale under the Plan (unless the Plan has terminated). With respect to Stock Appreciation Rights, Shares actually issued pursuant to a Stock Appreciation Right as well as the Shares that represent payment

Table of Contents

of the exercise price will cease to be available under the Plan. Shares that have actually been issued under the Plan under any Award will not be returned to the Plan and will not become available for future distribution under the Plan; provided, however, that if Shares subject to Awards of Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units are repurchased by the Company or are forfeited to the Company, such Shares will become available for future grant under the Plan. Shares used to pay the exercise price of an Option will not become available for future grant or sale under the Plan. Shares used to satisfy tax withholding obligations will not become available for future grant or sale under the Plan. To the extent an Award under the Plan is paid out in cash rather than Shares, such cash payment will not reduce the number of Shares available for issuance under the Plan. Notwithstanding the foregoing and, subject to adjustment provided in Section 13, the maximum number of Shares that may be issued upon the exercise of Incentive Stock Options will equal the aggregate Share number stated in Section 3(a), plus, to the extent allowable under Section 422 of the Code, any Shares that become available for issuance under the Plan under this Section 3(c).

(d) Share Reserve. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as will be sufficient to satisfy the requirements of the Plan.

4. Administration of the Plan.

(a) Procedure.

(i) Multiple Administrative Bodies. The Plan may be administered by different Committees with respect to different groups of Service Providers.

(ii) Section 162(m). To the extent that the Administrator determines it to be desirable to qualify Options granted hereunder as “performance-based compensation” within the meaning of Section 162(m) of the Code, the Plan shall be administered by a Committee of two or more “outside directors” within the meaning of Section 162(m) of the Code.

(iii) Rule 16b-3. To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder shall be structured to satisfy the requirements for exemption under Rule 16b-3.

(iv) Other Administration. Other than as provided above, the Plan shall be administered by (A) the Board or (B) a Committee, which committee shall be constituted to satisfy Applicable Laws.

(b) Powers of the Administrator. Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator shall have the authority, in its discretion:

(i) to select the Service Providers to whom Awards may be granted hereunder;

Table of Contents

(ii) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder;

(iii) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan;

(iv) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws;

(v) to modify or amend each Award (subject to Section 21(c) of the Plan) including, without limitation, the discretionary authority to extend the post-termination exercisability period of Awards longer than is otherwise provided for in the Plan. Notwithstanding the previous sentence, the Administrator may not modify or amend an Option or Stock Appreciation Right to reduce the exercise price of such Option or Stock Appreciation Right after it has been granted (except for adjustments made pursuant to Section 16) nor may the Administrator cancel any outstanding Option or Stock Appreciation Right and replace it with a new Option or Stock Appreciation Right with a lower exercise price, unless, in either case, such action is approved by the Company's stockholders;

(vi) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

(vii) to allow a Participant to defer the receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award pursuant to such procedures as the Administrator may determine; and

(viii) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations shall be final and binding on all Participants and any other holders of Awards.

5. Eligibility. Nonstatutory Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares and Performance Units as the Administrator determines may be granted to Service Providers. Incentive Stock Options may be granted only to Employees of the Company or any Parent or Subsidiary of the Company.

6. Options.

(a) Limitations.

(i) Each Option shall be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive

Table of Contents

Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 6(a), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(ii) The following limitations shall apply to grants of Options:

(1) No Service Provider shall be granted, in any Fiscal Year, Options to purchase more than 200,000 Shares.

(2) In connection with his or her initial service, a Service Provider may be granted Options to purchase up to an additional 400,000 Shares which shall not count against the limit set forth in subsection (1) above.

(3) The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 13.

(4) If an Option is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 13), the cancelled Option will be counted against the limits set forth in subsections (1) and (2) above. For this purpose, if the exercise price of an Option is reduced, the transaction will be treated as a cancellation of the Option and the grant of a new Option.

(b) Term of Option. The term of each Option shall be stated in the Award Agreement and shall be seven (7) years from the date of grant or such shorter term as may be provided by the Administrator; provided, however, that in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided by the Administrator.

(c) Option Exercise Price and Consideration.

(i) Exercise Price. The per share exercise price for the Shares to be issued pursuant to exercise of an Option shall be determined by the Administrator, subject to the following:

(1) In the case of an Incentive Stock Option

a) granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

Table of Contents

b) granted to any Employee other than an Employee described in paragraph (A) immediately above, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(2) In the case of a Nonstatutory Stock Option, the per Share exercise price will be determined by the Administrator, but will be no less than 100% of the Fair Market Value per Share on the date of grant.

(3) Notwithstanding the foregoing, Options may be granted with a per Share exercise price of less than 100% of the Fair Market Value per Share on the date of grant pursuant to a transaction described in, and in a manner consistent with, Section 424(a) of the Code.

(ii) Waiting Period and Exercise Dates. At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions which must be satisfied before the Option may be exercised.

(iii) Form of Consideration. The Administrator will determine the acceptable form(s) of consideration for exercising an Option, including the method of payment, to the extent permitted by Applicable Laws.

(d) Exercise of Option.

(i) Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share.

An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Award Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised together with any applicable withholding taxes. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 13 of the Plan.

Exercising an Option in any manner shall decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

Table of Contents

(ii) Termination of Relationship as a Service Provider. If an Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for three (3) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iii) Disability of Participant. If an Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for twelve (12) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iv) Death of Participant. If an Participant dies while a Service Provider, the Option may be exercised within such period of time as is specified in the Award Agreement (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's estate or by a person who acquires the right to exercise the Option by bequest or inheritance, but only to the extent that the Option is vested on the date of death. In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for twelve (12) months following the Participant's termination. If, at the time of death, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. The Option may be exercised by the executor or administrator of the Participant's estate or, if none, by the person(s) entitled to exercise the Option under the Participant's will or the laws of descent or distribution. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

7. Stock Appreciation Rights.

(a) Grant of Stock Appreciation Rights. Subject to the terms and conditions of the Plan, a Stock Appreciation Right may be granted to Service Providers at any time and from time to time as will be determined by the Administrator, in its sole discretion.

The Administrator will have complete discretion to determine the number of Stock Appreciation Rights granted to any Participant, provided that during any Fiscal Year, no Participant will be granted Stock Appreciation Rights covering more than 200,000 Shares. Notwithstanding the foregoing limitation, in connection with a Participant's initial service as an Employee, an Employee may be granted Stock Appreciation Rights covering up to an additional 400,000 Shares.

(c) Exercise Price and Other Terms. The Administrator, subject to the provisions of the Plan, will have complete discretion to determine the terms and conditions of Stock Appreciation Rights granted under the Plan, provided, however, that the exercise price will be not less than one hundred percent (100%) of the Fair Market Value of a Share on the date of grant.

(d) Stock Appreciation Right Agreement. Each Stock Appreciation Right grant will be evidenced by an Award Agreement that will specify the exercise price, the term of the Stock Appreciation Right, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

(e) Expiration of Stock Appreciation Rights. Notwithstanding the foregoing, the rules of Section 6(d) also will apply to Stock Appreciation Rights.

(f) Payment of Stock Appreciation Right Amount. Upon exercise of a Stock Appreciation Right, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying:

- (i) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times
- (ii) The number of Shares with respect to which the Stock Appreciation Right is exercised.

(e) Removal of Restrictions. Except as otherwise provided in this Section 8, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan will be released from escrow as soon as practicable after the last day the Shares have vested and are no longer subject to a substantial risk of forfeiture. The restrictions will lapse at a rate determined by the Administrator. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed.

(f) Voting Rights. During the period during which Shares of Restricted Stock are unvested and subject to a substantial risk of forfeiture, Service Providers holding such Shares may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

(g) Dividends and Other Distributions. During the period during which Shares of Restricted Stock are unvested and subject to substantial risk of forfeiture, Service Providers holding such Shares will be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise Administrator provides otherwise. (h) Return of Restricted Stock to Company. On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed will revert to the Company and again will become available for grant under the Plan.

Table of Contents

Each Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify such other terms and conditions as the Administrator, in its sole discretion, shall determine, including all terms, conditions, and restrictions related to the grant, the number of Restricted Stock Units and the form of payout, which, subject to Section 9(d), may be left to the discretion of the Administrator. Notwithstanding the anything to the contrary in this subsection (a), during any Fiscal Year, no Participant will receive more than an aggregate of 150,000 Restricted Stock Units; provided, however, that in connection with a Participant's initial service as an Employee, an Employee may be granted an aggregate of up to an additional 150,000 Restricted Stock Units.

(b) Vesting Criteria and Other Terms. The Administrator shall set vesting criteria in its discretion, which, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units that will be paid out to the Participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment or service), or any other basis determined by the Administrator in its discretion.

(c) Earning Restricted Stock Units. Upon meeting the applicable vesting criteria, the Participant shall be entitled to receive a payout as specified in the Restricted Stock Unit Award Agreement. Notwithstanding the foregoing, at any time after the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout.

(d) Form and Timing of Payment. Payment of earned Restricted Stock Units shall be made as soon as practicable after the date(s) set forth in the Award Agreement. The Administrator, in its sole discretion, may pay earned Restricted Stock Units in cash, Shares, or a combination thereof. Shares represented by Restricted Stock Units that are fully paid in cash again shall be available for grant under the Plan.

(e) Cancellation. On the date set forth in the Award Agreement, all unearned Restricted Stock Units shall be forfeited to the Company.

10. Performance Units and Performance Shares.

(a) Grant of Performance Units/Shares. Performance Units and Performance Shares may be granted to Service Providers at any time and from time to time, as will be determined by the Administrator, in its sole discretion. The Administrator will have complete discretion in determining the number of Performance Units/Shares granted to each Participant provided that during any Fiscal Year, (a) no Participant will receive Performance Units having an initial value greater than \$1,000,000, and (b) no Participant will receive more than 150,000 Performance Shares. Notwithstanding the foregoing limitation, in connection with a Participant's initial service as an Employee, an Employee may be granted up to an additional 150,000 Performance Shares.

Table of Contents

(b) Value of Performance Units/Shares. Each Performance Unit will have an initial value that is established by the Administrator on or before the date of grant. Each Performance Share will have an initial value equal to the Fair Market Value of a Share on the date of grant.

(c) Performance Objectives and Other Terms. The Administrator will set performance objectives or other vesting provisions (including, without limitation, continued status as a Service Provider) in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units/Shares that will be paid out to the Participant . Each Award of Performance Units/Shares will be evidenced by an Award Agreement that will specify the Performance Period, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

(d) Earning of Performance Units/Shares. After the applicable Performance Period has ended, the holder of Performance Units/Shares will be entitled to receive a payout of the number of Performance Units/Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives or other vesting provisions have been achieved. After the grant of a Performance Unit/Share, the Administrator, in its sole discretion, may reduce or waive any performance objectives or other vesting provisions for such Performance Unit/Share.

(e) Form and Timing of Payment of Performance Units/Shares. Payment of earned Performance Units/Shares will be made as soon as practicable after the expiration of the applicable Performance Period. The Administrator, in its sole discretion, may pay earned Performance Units/Shares in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Performance Units/Shares at the close of the applicable Performance Period) or in a combination thereof.

(f) Cancellation of Performance Units/Shares. On the date set forth in the Award Agreement, all unearned or unvested Performance Units/Shares will be forfeited to the Company, and again will be available for grant under the Plan.

11. Leaves of Absence. Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary. For purposes of Incentive Stock Options, no such leave may exceed ninety (90) days, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then three (3) months following the 91st day of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option.

12. Transferability of Awards. Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner

other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate.

13. Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.

(a) Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock that have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Award, the number of shares of Common Stock as well as the price per share of Common Stock covered by each such outstanding Award, and the numerical Share limits in Sections 6, 7, 8, 9 and 10, shall be proportionately adjusted for any change in, or increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, spin-off, combination or reclassification of the Common Stock, or any other change in, or increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been “effected without receipt of consideration.” Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Award until ten (10) days prior to such transaction as to all of the Optioned Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option or reacquisition right applicable to any Restricted Stock shall lapse as to all such Shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

(c) Merger or Asset Sale. In the event of a merger of the Company with or into another corporation or the sale of all or substantially all of the Company’s assets, each outstanding Award will be assumed or an equivalent award substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Award, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Performance Shares and Performance Units, all Performance Goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets,

Table of Contents

the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right will be fully vested and exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

For the purposes of this subsection (c), an Award will be considered assumed if, following the merger or sale of assets, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) or, in the case of a Stock Appreciation Right upon the exercise of which the Administrator determines to pay cash or a Restricted Stock Unit, Performance Share or Performance Unit which the Administrator can determine to pay in cash, the fair market value of the consideration received in the merger or merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit, Performance Share or Performance Unit, for each Share subject to such Award (or in the case of Restricted Stock Units or Performance Units, the number of implied shares determined by dividing the value of the Restricted Stock Units or Performance Units, as applicable, by the per share consideration received by holders of Common Stock in the merger or sale of assets), to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

Notwithstanding anything in this Section 13(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more Performance Goals will not be considered assumed if the Company or its successor modifies any of such Performance Goals without the Participant's consent; provided, however, a modification to such Performance Goals only to reflect the successor corporation's post-transaction corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

14. Tax Withholding

(a) Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company will have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local, foreign or other taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award (or exercise thereof).

(b) Withholding Arrangements. The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax withholding obligation, in whole or in part by (without limitation) (a) paying cash, (b) electing to have the Company withhold otherwise deliverable cash or Shares having a Fair Market Value equal to the amount required to be withheld, (c) delivering to the Company already-

Table of Contents

owned Shares having a Fair Market Value equal to the amount required to be withheld, or (d) selling a sufficient number of Shares otherwise deliverable to the Participant through such means as the Administrator may determine in its sole discretion (whether through a broker or otherwise) equal to the amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount which the Administrator agrees may be withheld at the time the election is made, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

15. No Effect on Employment or Service. Neither the Plan nor any Award will confer upon a Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company, nor will they interfere in any way with the Participant's right or the Company's right to terminate such relationship at any time, with or without cause, to the extent permitted by Applicable Laws.

16. Date of Grant. The date of grant of an Award will be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination will be provided to each Participant within a reasonable time after the date of such grant.

17. Term of Plan. Subject to Section 21 of the Plan, the Plan shall become effective upon its original adoption by the Board. It shall continue in effect for a term of ten (10) years unless terminated earlier under Section 18 of the Plan.

18. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Administrator may at any time amend, alter, suspend or terminate the Plan.

(b) Stockholder Approval. The Company will obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan will impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

19. Conditions Upon Issuance of Shares.

(a) Legal Compliance. Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply

Table of Contents

with Applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.

(b) Investment Representations. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

20. Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

21. Stockholder Approval. The Plan shall be subject to approval by the stockholders of the Company within twelve (12) months after the date the Plan is adopted. Such stockholder approval shall be obtained in the manner and to the degree required under Applicable Laws.
