PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed Proxy is solicited on behalf of the Board of Directors of IRIDEX Corporation (the "Company") for use at the Annual Meeting of Stockholders to be held at the principal offices of the Company located at 1212 Terra Bella Avenue, Mountain View, California 94043 on June 2, 1999 at 10:00 a.m., Pacific daylight savings time, and at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Company's telephone number is (650) 940-4700. These proxy solicitation materials were mailed on or about May 6, 1999 to all stockholders entitled to vote at the meeting.

RECORD DATE AND SHARE OWNERSHIP

Stockholders of record at the close of business on April 15, 1999 (the "Record Date") are entitled to notice of and to vote at the meeting and at any adjournment(s) thereof. At the Record Date, April 15, 1999, 6,508,846 shares of the Company's Common Stock, \$.01 par value, were issued and outstanding.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company at its principal offices to the attention of Robert Kamenski a written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

VOTING AND SOLICITATION

The cost of this solicitation will be borne by the Company. The Company has retained the services of Skinner & Co., Inc. (the "Agent"), to perform a search of brokers, bank nominees and other institutional owners. The Company estimates that it will pay the Agent a fee of \$3,500 for its services and out-of-pocket expenses. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or telegram.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The Company's Bylaws provide that stockholders holding a majority of the outstanding shares of the corporation entitled to vote on the Record Date and represented by person or by proxy shall constitute a quorum at meetings of stockholders. Shares that are voted "FOR," "AGAINST" or "WITHHELD" on a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as "entitled to vote on the subject matter" (the "Votes Cast") at the Annual Meeting with respect to such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining the presence or absence of a quorum for the transaction of business and the total number of Votes Cast with respect to a particular matter (other than the election of directors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner. Accordingly, with the exception of the

proposal for the election of directors, abstentions will have the same effect as a vote against the proposal. Because directors are elected by a plurality vote, abstentions in the election of directors have no impact once a quorum exists.

In a 1988 Delaware case, *Berlin v. Emerald Partners*, the Delaware Supreme Court held that while broker non-votes may be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Broker non-votes with respect to proposals set forth in this Proxy Statement will therefore not be considered "Votes Cast" and, accordingly, will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Proposals of stockholders of the Company that are intended to be presented at the 2000 Annual Meeting of Stockholders must be received by the Company no later than January 7, 2000 and must otherwise be in compliance with applicable laws and regulations in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

In addition, the Company's bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals not included in the Company's proxy statement, to be brought before an annual meeting of stockholders. To be properly brought before an annual meeting of stockholders, written notice of nominations for the election of directors or other business proposals must be delivered in writing to the secretary of the Company at the principal executive offices of the Company no earlier than January 7, 2000 and no later than March 22, 2000. However, in the event the date of the 2000 Annual Meeting of Stockholders is more than 30 days before or after (other than as a result of adjournment) the one year anniversary of the 1999 Annual Meeting of Stockholders, notice by the stockholder to be timely must be delivered in writing at the close of business on the later of (i) 60 days before the 2000 Annual Meeting of Stockholders, or (ii) 10 days after the day on which a public announcement of the date of such meeting is first made.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Such officers, directors and ten-percent stockholders are also required by SEC rules to furnish the Company with copies of all forms that they file pursuant to Section 16(a). Based solely on its review of the copies of such forms received by it or written representations from certain reporting persons that no filings were required for such persons, the Company believes that all Section 16(a) filing requirements applicable to its officers, directors and ten-percent stockholders were complied with.

STOCKHOLDER INFORMATION

A copy of the Company's Annual Report on Form 10-K for the year ended January 2, 1999, including financial statements and schedules, is enclosed with these proxy solicitation materials. In compliance with Rule 14a-3 promulgated under the Securities Exchange Act of 1934, the Company hereby undertakes to provide without charge to each person upon written request, a copy of the Company's Annual Report on Form 10-K for the year ended January 2, 1999, including the financial statements and financial schedules thereto. Requests for such copies should be directed to IRIDEX Corporation, 1212 Terra Bella Avenue, Mountain View, California 94043, Attention: Investor Relations.

PROPOSAL ONE

NOMINEES

A board of eight (8) directors is to be elected at the meeting. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the election of the eight nominees named below, all of whom are presently directors of the Company, with the exception of Mr. Anderson. Each nominee has consented to be named a nominee in this Proxy Statement and to continue to serve as a director if elected. Should any nominee become unable or decline to serve as a director or should additional persons be nominated at the meeting, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of as many nominees listed below as possible (or, if new nominees have been designated by the Board of Directors, in such a manner as to elect such nominees) and the specific nominees to be voted for will be determined by the proxy holders. The Company is not aware of any reason that any nominee will be unable or will decline to serve as a director. Each director elected at this Annual Meeting will serve until the next Annual Meeting of Stockholders or until such director's successor has been elected and qualified. There are no arrangements or understandings between any director or executive officer and any other person pursuant to which he is or was to be selected as a director or officer of the Company.

The names of the nominees and certain information about them, are set forth below:

Mr. Anderson is currently serving as a director of ExploraMed, Inc., and three other medically related companies.

VOTE REQUIRED

Directors will be elected by a plurality vote of the shares of the Company's Common Stock present or represented and entitled to vote on this matter at the meeting. Accordingly, the eight candidates receiving the highest number of affirmative votes of shares represented and voting on this proposal at the meeting will be elected directors of the Company. Votes withheld from a nominee and broker non-votes will be counted for purposes of determining the presence or absence of a quorum but because directors are elected by a plurality vote, will have no impact once a quorum is present. See "Information Concerning Solicitation and Voting -- Quorum; Abstentions; Broker Non-Votes."

MANAGEMENT RECOMMENDS THAT STOCKHOLDERS VOTE "FOR"
THE NOMINEES LISTED ABOVE

BOARD MEETINGS AND COMMITTEES

The Board of Directors of the Company held a total of eight meetings during the fiscal year ended January 2, 1999. No director serving during the fiscal year attended fewer than 75% of the aggregate of all meetings of the Board of Directors and the committees of the Board upon which such director served, except for Messrs. Boeger and Chang. The Board of Directors has two committees, the Audit Committee and the Compensation Committee.

The Audit Committee of the Board of Directors, which consists of Messrs. Boeger and Nehra, held two meetings during the last fiscal year. The Audit Committee reviews and advises the Board of Directors regarding the Company's accounting matters and is responsible for reviewing and recommending the annual appointment of the independent public accountants, reviewing the services to be performed by them, and reviewing and evaluating the accounting principles being applied to the Company's financial reports.

The Compensation Committee of the Board of Directors, which consists of Messrs. Boeger, Chang and Hammond, held two meetings during the last fiscal year. The Compensation Committee reviews and advises the Board of Directors regarding all forms of compensation to be provided to the officers, employees, directors and consultants of the Company.

The Board of Directors has no nominating committee or any committee performing such functions.

DIRECTOR COMPENSATION

Directors are not paid any cash compensation from the Company for their services as members of the Board or any committee thereof, although they are reimbursed for reasonable out-of-pocket expenses incurred by them in attending such meetings.

The Company's 1995 Director Option Plan (the "Director Plan") was adopted by the Board in October 1995 and approved by the stockholders in January 1996. A total of 160,000 shares of Common Stock are reserved for issuance thereunder. The Director Plan provides for the automatic and nondiscretionary grant of nonstatutory stock options to purchase 11,250 shares of the Company's Common Stock to each nonemployee director on the later of the effective date of the Director Plan or the date on which such person becomes a director. Thereafter, each non-employee director is automatically granted an option to purchase 3,750 shares of Common Stock on July 1 of each year, if on such date he or she has served on the Board for at least six months. The Director Plan provides that the exercise price shall be equal to the fair market value of the Company's Common Stock as of the date of grant.

Messrs. Boeger, Chang, Nehra and Hammond were granted initial options to purchase 11,250 shares of Common Stock at an exercise price of \$2.00 per share on the effective date of the Director Plan. Such

directors were granted subsequent options to purchase 3,750 shares of Common Stock at an exercise price of \$14.875 per share on July 1, 1996, subsequent options to purchase shares of Common Stock at an exercise price of \$9.125 on July 1, 1997 and subsequent options to purchase shares of Common Stock at an exercise price of \$8.00 on July 1, 1998. PROPOSAL TWO

AMENDMENT OF THE 1998 STOCK PLAN

INTRODUCTION

The 1998 Stock Plan (the "1998 Plan") was adopted by the Board of Directors in February 1998 and was approved by the stockholders in June 1998. The 1998 Plan provides for the grant of options and stock purchase rights to purchase shares of the Company's Common Stock to employees and consultants of the Company. A total of 250,000 shares of Common Stock are reserved for issuance under the 1998 Plan. In April 1999, the Board of Directors amended the 1998 Plan to increase the number of shares of Common Stock reserved for issuance thereunder by 150,000 shares to an aggregate of 400,000 shares. The stockholders are being asked to approve this amendment to increase the number of shares reserved under the 1998 Plan from 250,000 shares to an aggregate of 400,000 shares at the 1999 Annual Meeting of Stockholders in June 1999. As of the Record Date, 60,300 shares were available for grant under the 1998 Plan.

The material features of the 1998 Plan are outlined below.

SUMMARY OF THE 1998 PLAN

General. The 1998 Plan provides for the grant of options to purchase shares of the Company's Common Stock to employees (including officers and employee directors) ("Employees") and consultants. Options granted under the Plan may either be "incentive stock options" as defined in Section 422 of the Internal Revenue Code of 1986 (the "Code"), or nonstatutory stock options, as determined by the Administrator at the time of grant. The administrator of the 1998 Plan also has the discretion to grant stock purchase rights to Employees and consultants.

Purpose. The purposes of the 1998 Plan are to attract and retain the best available personnel and to provide incentive to key Employees and consultants to promote the success of the Company's business.

Administration. The 1998 Plan is administered by the Board of Directors or one or more committees designated by the Board, as may be necessary to comply with the applicable rules, including rules governing plans intended to qualify plans under Rule 16b-3 or to qualify options as "performance-based compensation" under Section 162(m) of the Internal Revenue Code of 1986 (the "Code") (the "Administrator"). The Administrator has complete authority to construe, interpret, and administer the provisions of the 1998 Plan and the provisions of the agreements governing awards granted thereunder. The Administrator will have the authority to prescribe, amend and rescind rules and regulations pertaining to the 1998 Plan and to make all other determinations necessary or deemed advisable in the administration of the 1998 Plan. The determinations and interpretations made by the Administrator are final and binding.

Grant Limitation. The 1998 Plan provides that no optionee may be granted options and stock purchase rights to purchase more than 150,000 shares of Common Stock in any fiscal year, except that in connection with an optionee's initial service, an optionee may be granted options to purchase an additional 100,000 shares, a total limitation of 250,000 shares.

Eligibility. Nonstatutory options may be granted to Employees and consultants of the Company and its subsidiaries or successor corporation. Incentive stock options may be granted only to Employees of the Company and its subsidiaries. The Administrator selects the Employees and consultants who will be granted options and determines the number of shares to be subject to each option. In making such determination, the Administrator takes into account the duties and responsibilities of the Employee or consultant, the value of the services of such Employee or consultant, his or her present and potential contributions to the success of the Company, the anticipated years of future service of an Employee and other relevant factors. As of January 2, 1999, approximately 92 Employees and consultants were eligible to receive options under the 1998 Plan. The Administrator shall determine which eligible persons shall be granted options and stock purchase rights.

Exercise of Options and Stock Purchase Rights. Options and stock purchase rights become exercisable at such times as are determined by the Administrator and set forth in the individual agreements. Generally, options vest as to one forty-eighth (1/48) of the shares for each full month of service; however, typically the options will not be exercisable until at least twelve months of service has been completed. In the case of stock purchase rights, the Company has a repurchase option exercisable upon the termination of the purchaser's employment, unless the Administrator determines otherwise at the time of grant. The Company's repurchase option lapses at a rate determined by the Administrator. The purchase price for the shares so repurchased is the original price paid by the purchaser.

An option or stock purchase right is exercised by giving written notice to the Company specifying the number of full shares of Common Stock to be purchased and tendering payment of the purchase price to the Company. The form of consideration for exercising an option or stock purchase right, including the method of payment, is determined by the Administrator.

Exercise Price. The exercise price of options and stock purchase rights granted under the 1998 Plan is determined by the Administrator and must not be less than 100% of the fair market value of the Company's Common Stock at the time of grant; provided, however, that incentive stock options or stock purchase rights granted to stockholders owning more than 10% of the voting stock of the Company, if any, are subject to the additional restriction that the exercise price per share of each option must be at least 110% of the fair market value per share on the date of grant. The exercise price of nonstatutory options is determined by the Administrator and, in order to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code, must not be less than 100% of the fair market value of the Common Stock on the date of grant.

Termination. The 1998 Plan gives the Administrator authority to vary the terms of the individual option agreements. However, generally, if the optionee ceases to be an employee or consultant, the optionee shall have the right to exercise the vested portion of an unexercised option within thirty (30) days after the date of termination, unless otherwise specified in the option agreement. If such termination is due to death or disability within the meaning of Section 422(c) of the Code, the optionee (or the optionee's legal representative) shall have the right to exercise the vested portion of an unexercised option at any time within twelve (12) months of the termination date, unless otherwise specified in the option agreement. In no event shall an option be exercisable beyond its term.

Term of Options. Options granted under the 1998 Plan expire as determined by the Administrator, but in no event later than ten (10) years after the date of grant. However, incentive stock options granted to stockholders owning more than 10% of the Company's outstanding voting stock may not have a term of more than five years. Stock purchase rights granted under the 1998 Plan also expire as determined by the Administrator, but in no event later than ninety (90) days after the date of grant. No option or stock purchase right may be exercised by any person after its expiration.

Non-Transferability of Options. Unless determined otherwise by the Administrator, options and stock purchase rights are non-transferable by the optionee other than by will or the laws of descent and distribution, and stock purchase rights are exercisable during the lifetime of the optionee or grantee of the stock purchase right only by such optionee or grantee, or in the event of the optionee's or grantee's death, by a person who acquires the right by bequest or inheritance or by reason of the death of the optionee or grantee.

Adjustments Upon Change in Capitalization. The number of shares covered by each outstanding option, and the exercise price thereof, shall be proportionately adjusted for any increase or decrease in the number of issued shares resulting from a change in the Company's capitalization, such as a stock dividend, stock split, reverse stock split, combination, reclassification, or like change in the capital structure of the Company.

Transfer of Control. In the event the Company is a participant in any merger or consolidation, each outstanding, unexercised option or stock purchase right shall be assumed or substituted by the surviving corporation. If such options or stock purchase rights are not assumed, they become fully exercisable or the repurchase right applicable to them fully lapses, respectively, for a period of fifteen (15) days following the Administrator's notice that such option has become fully exercisable or that the repurchase option with

respect to a stock purchase right has fully lapsed, respectively. Any options which are neither assumed nor exercised within 15 days of written notice from the Company terminate upon the expiration of such period.

Dissolution or Liquidation. In the event of a dissolution or liquidation of the Company, any outstanding option or stock purchase right shall terminate. However, the Administrator may provide that any option be fully exercisable until ten (10) days prior to such event. In addition, the Administrator may provide that the Company's repurchase option with respect to any stock purchase right shall fully lapse prior to such event.

Amendment or Termination of the 1998 Plan. The Administrator may at any time amend, alter, suspend or terminate the 1998 Plan; provided that no amendment, alteration, suspension or termination may impair the rights of any optionee, unless mutually agreed otherwise. Options may be granted under the 1998 Plan during the period expiring February 2008.

UNITED STATES TAX INFORMATION

An optionee who is granted an incentive stock option will not recognize taxable income either at the time the option is granted or upon its exercise, although the exercise may subject the optionee to the alternative minimum tax. Upon the sale or exchange of the shares more than two years after the date of grant and one year after exercising the option, any gain or loss will be treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee will recognize ordinary income at the time of sale or exchange equal to the difference between the exercise price and the lower of (i) the fair market value of the shares on the date of the option exercise or (ii) the sale price of the shares. A different rule for measuring ordinary income upon such a premature disposition may apply if the optionee is also an officer, director or 10% stockholder of the Company. The Company will be entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income will be characterized as long-term or short-term capital gain or loss, depending on the holding period.

All other options which do not qualify as incentive stock options are referred to as nonstatutory options. An optionee will not recognize any taxable income at the time a nonstatutory option is granted. However, upon its exercise, the optionee will recognize taxable income generally measured as the excess of the then fair market value of the shares exercised over the exercise price. A different rule may apply if the optionee is a director, officer or 10% stockholder. Any taxable income recognized in connection with an option exercise by an optionee who is also an employee of the Company will be subject to tax withholding by the Company by payment in cash or out of the current earnings paid to the optionee. Upon resale of such shares by the optionee, any difference between the sales price and the optionee's exercise price, to the extent not recognized as taxable income as described above, will be treated as long-term or short-term capital gain or loss, depending on the holding period. The Company will be entitled to a tax deduction in the same amount as the ordinary income recognized by the optionee with respect to shares acquired upon exercise of a nonstatutory option.

THE FOREGOING SUMMARY OF THE EFFECT OF THE UNITED STATES FEDERAL INCOME TAXATION LAWS UPON THE OPTIONEE AND THE COMPANY IN CONNECTION WITH THE 1998 PLAN DOES NOT PURPORT TO BE COMPLETE, AND REFERENCE SHOULD BE MADE TO THE APPLICABLE PROVISIONS OF THE CODE. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE.

AMENDED AND NEW PLAN BENEFITS

The Company cannot now determine the number of shares to be issued in the future pursuant to the 1998 Plan to the named executive officers ("Executive Officers"), all current Executive Officers as a group or all employees (including current officers who are not Executive Officers) as a group. In 1998, 364,500 shares of the Company's Common Stock were issued to all employees (including all Executive Officers) pursuant to the 1998 Plan and 121,750 shares of the Company's Common Stock were issued to the Executive Officers as a group.

REQUIRED VOTE

The approval of the amendment of the 1998 Plan requires the affirmative vote of a majority of the shares of the Company's Common Stock present or represented and entitled to vote on this subject matter at the meeting. An abstention is not an affirmative vote, and therefore, will have the same effect as a vote against the proposal. A broker non-vote will not be treated as entitled to vote on this subject matter at the meeting. See "Information Concerning Solicitation and Voting -- Quorum; Abstentions; Broker Non-Votes."

THE AMENDMENT OF THE 1998 STOCK PLAN

PROPOSAL THREE

AMENDMENT OF THE 1995 EMPLOYEE STOCK PURCHASE PLAN

INTRODUCTION

The Company's 1995 Employee Stock Purchase Plan (the "Purchase Plan") was adopted by the Board of Directors in November 1995 and was approved by the stockholders in January 1996. A total of 50,000 shares of Common Stock were reserved for issuance under the Purchase Plan. In January 1997, the Board of Directors amended the Purchase Plan to increase the number of shares of Common Stock reserved for issuance thereunder by 50,000 to an aggregate of 100,000 shares. The amendment to increase the number of shares reserved under the Purchase Plan from 50,000 to 100,000 shares was approved by the stockholders at the 1997 Annual Meeting of Stockholders in April 1997. In February 1998, the Board of Directors amended the Purchase Plan to increase the number of shares of Common Stock reserved for issuance thereunder by 75,000 shares to an aggregate of 175,000 shares. This amendment to increase the number of shares reserved under the Purchase Plan from 100,000 shares to 175,000 shares was approved by the stockholders at the 1998 Annual Meeting of Stockholders in June 1998. In April 1999, the Board of Directors amended the Purchase Plan to increase the number of shares of Common Stock reserved for issuance thereunder by 75,000 shares to an aggregate of 250,000 shares. The stockholders are being asked to approve this amendment to increase the number of shares reserved under the Purchase Plan from 175,000 shares to an aggregate of 250,000 shares at the 1999 Annual Meeting of Stockholders in June 1999. As of the Record Date, 55,054 shares were available for purchase under the Purchase Plan.

The material features of the Purchase Plan are outlined below.

SUMMARY OF THE 1995 EMPLOYEE STOCK PURCHASE PLAN

Purpose. The purpose of the Purchase Plan is to provide employees of the Company with an opportunity to purchase Common Stock through accumulated payroll deductions.

Administration. The Purchase Plan, which is intended to qualify under Section 423 of the Code, is administered by the Board of Directors or a committee designated by the Board, as may be necessary to comply with the rules governing plans intended to qualify as discretionary grant plans under Rule 16b-3 (the "Administrator"). All questions of interpretation or application of the Purchase Plan are determined by the Administrator, and its decisions are final, conclusive and binding upon all participants.

Eligibility and Participation; Withdrawal. Employees of the Company and its designated subsidiaries who are employed on a given enrollment date are eligible to participate in the Purchase Plan if they are customarily employed for at least 20 hours per week and more than five months per year, and do not own or hold options to purchase as a result of such participation, five percent or more of the total combined voting power or value of all classes of stock of the Company. Notwithstanding the foregoing, no employee may be granted the right to purchase more than \$25,000 worth or more than 1,000 shares of Common Stock annually. Eligible employees become participants in the Purchase Plan by completing a subscription agreement authorizing payroll deductions of up to 10% of the employee's compensation, and filing it with the Company's Personnel Department not later than the day before an enrollment date. An employee may withdraw from the Purchase Plan at any time by giving written notice to the Company. In such a case, all payroll deductions credited to the employee's account and not yet used to purchase stock are refunded. Approximately 60 employees are currently participating in the Purchase Plan.

Offering Periods. The Purchase Plan is implemented by consecutive six-month offering periods. Offering periods commence on the first trading day on or after September 1 and March 1 and terminate on the last trading day of the sixth month following such commencement date. The Administrator may change the commencement date and duration of the offering periods without stockholder approval.

Purchase Price. The purchase price per share at which shares may be sold to employees under the Purchase Plan is 85% of the lower of the fair market value of the Company's Common Stock (a) on the date of commencement of the offering period or (b) on the last trading day of the six-month offering period. The fair market value of the Company's Common Stock on a given date is the closing sale price on the Nasdaq National Market. In the event the Company's Common Stock is quoted on the Nasdaq system but not on the National Market thereof, the fair market value is the mean of the closing bid and asked prices for the Company's Common Stock on the date of determination. In the absence of an established market for the Common Stock, the fair market value is established by the Board of Directors.

Adjustments on Changes in Capitalization. In the event any change is made in the Company's capitalization, such as a stock split or stock dividend, which results in an increase or decrease in the number of outstanding shares of the Company's Common Stock without receipt of consideration by the Company, the number of shares remaining subject to the Purchase Plan and the purchase price per share shall be appropriately adjusted. In the event of a proposed dissolution or liquidation of the Company, the offering periods will terminate immediately prior to such dissolution or liquidation, unless the Board provides otherwise. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each option under the Purchase Plan shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, to shorten the offering period then in progress by setting a new exercise date.

Transferability. No rights or accumulated payroll deductions of a participant may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will or the laws of descent and distribution).

Amendment and Termination of the Purchase Plan. The Board of Directors may at any time and for any reason amend or terminate the Purchase Plan, except that (i) such termination shall not affect any purchase rights previously granted (except as permitted under the terms of the Purchase Plan), and (ii) no amendment may adversely affect a purchase right previously granted under the Purchase Plan (except to the extent permitted by the terms of the Purchase Plan or as may be necessary to qualify the Purchase Plan as an employee stock purchase plan pursuant to Section 423 of the Code or to obtain qualification or registration of the shares under applicable foreign, federal or state securities laws). The Purchase Plan shall continue in effect for a term of ten years unless terminated earlier by the Board or until all of the shares reserved for issuance thereunder have been issued.

UNITED STATES TAX INFORMATION

The Purchase Plan and the rights of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the Purchase Plan are sold or otherwise disposed of. Upon the sale or other disposition of the shares, the participant will generally be subject to tax and the amount of the tax will depend upon the holding period. If the shares are sold or otherwise disposed of more than two years from the first day of the offering period and one year from the date the shares are purchased, the participant will recognize ordinary income measured as the lesser of (i) the excess of the fair market value of the shares on the date of such sale or disposition over the purchase price, or (ii) an amount equal to 15% of the fair market value of the shares as of the first day of the offering period. Any additional gain will be treated as long-term capital gain. If the shares are sold or otherwise disposed of before the expiration of these holding periods, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on the holding period. The Company is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent of ordinary income recognized by participants upon a sale or disposition of shares prior to the expiration of the holding periods described above.

THE FOREGOING SUMMARY OF THE EFFECT OF THE UNITED STATES FEDERAL INCOME TAXATION LAWS UPON THE PARTICIPANT AND THE COMPANY IN CONNECTION WITH THE PURCHASE PLAN DOES NOT PURPORT TO BE COMPLETE, AND REFERENCE SHOULD BE MADE TO THE APPLICABLE PROVISIONS OF THE CODE. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE.

AMENDED AND NEW PLAN BENEFITS

The Company cannot now determine the number of shares to be issued in the future pursuant to the Purchase Plan to the named executive officers ("Executive Officers"), all current Executive Officers as a group or all employees (including current officers who are not Executive Officers) as a group. In 1998, 41,441 shares of the Company's Common Stock were issued to all employees (including current officers who are not Executive Officers) and 4,033 shares of the Company's Common Stock were issued to the Executive Officers as a group.

The approval of the amendment of the Purchase Plan requires the affirmative vote of a majority of the shares of the Company's Common Stock present or represented and entitled to vote on this subject matter at the meeting. A broker non-vote will not be treated as entitled to vote on this subject matter at the meeting. See "Information Concerning Solicitation and Voting -- Quorum; Abstentions; Broker Non-Votes."

- (1) The Company granted options to purchase an aggregate of 242,750 shares of Common Stock to all employees other than Executive Officers and granted options to purchase an aggregate of 121,750 shares of Common Stock to all Executive Officers as a group (5 persons), during fiscal 1998. In December 1998, the Company offered all employees other than Executive Officers the right to cancel certain outstanding options and receive new options with an exercise price of \$4.00 per share, which was the closing price of the Company's Common Stock on the date the employees agreed to cancel their original options. Options to purchase a total of 548,000 shares at original exercise prices ranging from \$5.00 to \$14.75 per share were canceled and new options were issued in December 1998. The new options are subject to new vesting terms from the date of issuance. For purposes of calculating the percentage of total options granted to Named Officers in the table as compared to the percentage of total options granted to employees during fiscal year 1998, the Company has excluded the effect of the reissued options.
- (2) This column sets forth hypothetical gains or "option spreads" for the options at the end of their respective ten-year terms, as calculated in accordance with the rules of the Securities and Exchange Commission. Each gain is based on an arbitrarily assumed annualized rate of compound appreciation of the market price at the date of grant of 5% and 10% from the date the option was granted to the end of the option term. The 5% and 10% rates of appreciation are specified by the rules of the Securities and Exchange Commission and do not represent the Company's estimate or projection of future Common Stock prices. The Company does not necessarily agree that this method properly values an option. Actual gains, if any, on option exercises are dependent on the future performance of the Company's Common Stock and overall market conditions and the timing of option exercises, if any.

The following table shows, as to the individuals named in the Summary Compensation Table above, the number of options exercisable and unexercisable at January 2, 1999, information concerning stock options exercised during the fiscal year ended January 2, 1999 and the value of unexercised options at such date.

EMPLOYMENT AGREEMENTS

The Company has no employment contracts with any of its officers and has no compensatory plans or arrangements that are activated upon resignation, termination or retirement of any such officer upon a change in control of the Company. The Director Plan provides for the accelerated vesting of all outstanding options upon a change in control. In addition, because competition for talented employees is intense, the Company may in the future consider entering into severance agreements with certain of its key employees.

OTHER EMPLOYEE BENEFIT PLANS

401(k) Plan

The Company sponsors a 401(k) Plan under which eligible employees may contribute, on a pre-tax basis, up to 15% of the employee's total annual income from the Company, excluding bonuses, subject to certain

IRS limitations. All full-time employees who have attained age 18 are eligible to participate in the plan. All contributions are allocated to the employee's individual account and, at the employee's election, are invested in one or more investment funds available under the plan. Contributions are fully vested and nonforfeitable.

REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following report and the Performance Graph on page 19 shall not be incorporated by reference into any such filings.

GENERAL

The Compensation Committee (the "Committee") of the Board of Directors establishes the overall executive compensation strategies of the Company and approves compensation elements for the Company's Chief Executive Officer and other executive officers. The Committee is comprised of three independent, nonemployee members of the Board of Directors, none of whom has interlocking relationships as defined by the Securities and Exchange Commission. The Committee has available to it such external compensation advice and data as the Committee deems appropriate to obtain.

The compensation philosophy of the Committee is to provide a comprehensive compensation package for each executive officer that is competitive with those offered by companies of similar type and size, in the same geographical area and whose executives perform similar skills to those performed by the executives of the Company. Accordingly, the Committee follows a compensation strategy which has used vesting terms to incentivize and reward executives as the Company addresses the challenges associated with growth. As the Committee applies this compensation philosophy in determining appropriate executive compensation levels and other compensation factors, the Committee reaches its decisions with a view towards the Company's overall financial performance. The Committee strives to structure each officer's overall compensation package to enable the Company to attract, retain and reward personnel who contribute to the success of the Company.

EXECUTIVE OFFICER COMPENSATION

The objectives of the executive officer compensation program are to attract, retain, motivate and reward key personnel who possess necessary leadership and management skills through competitive base salary, annual cash bonus incentives, long-term incentive compensation in the form of stock options, and various benefits generally available to employees of the Company.

Base Salary. Base salary levels for the Company's executive officers are generally targeted to be competitive with companies in the same stage of development and in the same industry and geographic area. In determining salaries, the Committee also takes into account the Chief Executive Officer's recommendations, individual experience, contributions to corporate goals and the Company's performance.

Incentive Bonuses. The Committee believes that a cash incentive bonus plan can serve to motivate the Company's executive officers and management to address annual performance goals, using more immediate measures for performance than those reflected in the appreciation in value of stock options. In 1998, the Company's goals were targeted toward longer-term objectives for corporate development. As a consequence, the Company did not have an incentive bonus plan for executive officers for fiscal 1998. The Company expects to establish an incentive bonus plan for fiscal 1999.

Stock Option Grants. Stock options are granted to executive officers and other employees under the Company's Option Plans. Stock option grants are intended to focus the recipient on the Company's long-term performance to improve stockholder value and to retain the services of executive officers in a competitive job market by providing significant long-term earning potential. To this end, stock options generally vest over a four-year period, based on continued employment. Factors considered in granting stock options to executive officers of the Company are the duties and responsibilities of each individual, such individual's contributions to

the success of the Company and other relevant factors. The Company views stock options as an important component of long-term compensation for executive officers since options motivate executive officers to manage the Company in a manner that is consistent with the interests of stockholders.

CEO COMPENSATION

Compensation for the Chief Executive Officer is consistent with the philosophies and practices described above for executive officers in general. Mr. Boutacoff's salary was nominally increased in 1998. Mr. Boutacoff was granted options to purchase 40,000 shares in 1998 as a form of long-term compensation.

(l) "Exchange Act" means the Securities Exchange Act of 1934, as amended.

(m) "Fair Market Value" means, as of any date, the value of Common Stock determined as follows:

(i) If the Common Stock is listed on any established stock exchange or a national market system, including without limitation the Nasdaq National Market or The Nasdaq SmallCap Market of The Nasdaq Stock Market, its Fair Market Value shall be the closing sales price for such stock (or the closing bid, if no sales were reported) as quoted on such exchange or system for the last market trading day prior to the time of determination, as reported in The Wall Street Journal or such other source as the Administrator deems reliable;

(ii) If the Common Stock is regularly quoted by a recognized securities dealer but selling prices are not reported, the Fair Market Value of a Share of Common Stock shall be the mean between the high bid and low asked prices for the Common Stock on the last market trading day prior to the day of determination, as reported in The Wall Street Journal or such other source as the Administrator deems reliable; or

(iii) In the absence of an established market for the Common Stock, the Fair Market Value shall be determined in good faith by the Administrator.

3. Stock Subject to the Plan. Subject to the provisions of Section 13 of the Plan, the maximum aggregate number of Shares which may be optioned and sold under the Plan is 400,000 Shares. The Shares may be authorized, but unissued, or reacquired Common Stock.

If an Option or Stock Purchase Right expires or becomes unexercisable without having been exercised in full, or is surrendered pursuant to an Option Exchange Program, the unpurchased Shares which were subject thereto shall become available for future grant or sale under the Plan (unless the Plan has terminated); provided, however, that Shares that have actually been issued under the Plan, whether upon exercise of an Option or Right, shall not be returned to the Plan and shall not become available for future distribution under the Plan, except that if Shares of Restricted Stock are repurchased by the Company at their original purchase price, such Shares shall become available for future grant under the Plan.

4. Administration of the Plan.

(a) Procedure.

(i) Multiple Administrative Bodies. The Plan may be administered by different Committees with respect to different groups of Service Providers.

(ii) Section 162(m). To the extent that the Administrator determines it to be desirable to qualify Options granted hereunder as "performance-based compensation" within the meaning of Section 162(m) of the Code, the Plan shall be administered by a Committee of two or more "outside directors" within the meaning of Section 162(m) of the Code.

(iii) Rule 16b-3. To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder shall be structured to satisfy the requirements for exemption under Rule 16b-3.

(iv) Other Administration. Other than as provided above, the Plan shall be administered by (A) the Board or (B) a Committee, which committee shall be constituted to satisfy Applicable Laws.

(b) Powers of the Administrator. Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator shall have the authority, in its discretion:

(i) to determine the Fair Market Value;

(ii) to select the Service Providers to whom Options and Stock Purchase Rights may be granted hereunder;

(iii) to determine the number of shares of Common Stock to be covered by each Option and Stock Purchase Right granted hereunder;

(iv) to approve forms of agreement for use under the Plan;

(v) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Option or Stock Purchase Right granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Options or Stock Purchase Rights may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture

restrictions, and any restriction or limitation regarding any Option or Stock Purchase Right or the shares of Common Stock relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(vi) to reduce the exercise price of any Option or Stock Purchase Right to the then current Fair Market Value if the Fair Market Value of the Common Stock covered by such Option or Stock Purchase Right shall have declined since the date the Option or Stock Purchase Right was granted;

(vii) to institute an Option Exchange Program;

(viii) to construe and interpret the terms of the Plan and awards granted pursuant to the Plan;

(ix) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;

(x) to modify or amend each Option or Stock Purchase Right (subject to Section 15(c) of the Plan), including the discretionary authority to extend the post-termination exercisability period of Options longer than is otherwise provided for in the Plan;

(xi) to allow Optionees to satisfy withholding tax obligations by electing to have the Company withhold from the Shares to be issued upon exercise of an Option or Stock Purchase Right that number of Shares having a Fair Market Value equal to the amount required to be withheld. The Fair Market Value of the Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by an Optionee to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;

(xii) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Option or Stock Purchase Right previously granted by the Administrator; and

(xiii) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations shall be final and binding on all Optionees and any other holders of Options or Stock Purchase Rights.

5. Eligibility. Nonstatutory Stock Options and Stock Purchase Rights may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

6. Limitations.

(a) Each Option shall be designated in the Option Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 6(a), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(b) Neither the Plan nor any Option or Stock Purchase Right shall confer upon an Optionee any right with respect to continuing the Optionee's relationship as a Service Provider with the Company, nor shall they interfere in any way with the Optionee's right or the Company's right to terminate such relationship at any time, with or without cause.

(c) The following limitations shall apply to grants of Options:

(i) No Service Provider shall be granted, in any fiscal year of the Company, Options to purchase more than 150,000 Shares.

(ii) In connection with his or her initial service, a Service Provider may be granted Options to purchase up to an additional 100,000 Shares which shall not count against the limit set forth in subsection (i) above.

(iii) The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 13.

(iv) If an Option is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 13), the cancelled Option will be counted against the limits set forth in subsections (i) and (ii) above. For this purpose, if the exercise price of an Option is reduced, the transaction will be treated as a cancellation of the Option and the grant of a new Option.

7. Term of Plan. Subject to Section 19 of the Plan, the Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of ten (10) years unless terminated earlier under Section 15 of the Plan.

8. Term of Option. The term of each Option shall be stated in the Option Agreement; provided, however, that (i) in the case of an Incentive Stock Option, the term shall be ten (10) years from the date of grant or such shorter term as may be provided in the Option Agreement and (ii) in the case of an Incentive Stock Option granted to an Optionee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Option Agreement.

9. Option Exercise Price and Consideration.

(a) Exercise Price. The per share exercise price for the Shares to be issued pursuant to exercise of an Option shall be determined by the Administrator, subject to the following:

(i) In the case of an Incentive Stock Option

(A) granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(B) granted to any Employee other than an Employee described in paragraph (A) immediately above, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Nonstatutory Stock Option, the per Share exercise price shall be determined by the Administrator. In the case of a Nonstatutory Stock Option intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(iii) Notwithstanding the foregoing, Options may be granted with a per Share exercise price of less than 100% of the Fair Market Value per Share on the date of grant pursuant to a merger or other corporate transaction.

(b) Waiting Period and Exercise Dates. At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions which must be satisfied before the Option may be exercised.

(c) Form of Consideration. The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of:

(i) cash;

(ii) check;

(iii) promissory note;

(iv) other Shares which (A) in the case of Shares acquired upon exercise of an option, have been owned by the Optionee for more than six months on the date of surrender, and (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised;

(v) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan;

(vi) a reduction in the amount of any Company liability to the Optionee, including any liability attributable to the Optionee's participation in any Company-sponsored deferred compensation program or arrangement;

(vii) any combination of the foregoing methods of payment; or

(viii) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

10. Exercise of Option.

(a) Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Option Agreement. Unless the Administrator provides otherwise, vesting of Options granted hereunder shall be tolled during any unpaid leave of absence. An Option may not be exercised for a fraction of a Share.

An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 13 of the Plan.

Exercising an Option in any manner shall decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) Termination of Relationship as a Service Provider. If an Optionee ceases to be a Service Provider, other than upon the Optionee's death or Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Option Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for thirty (30) days following the Optionee's termination. If, on the date of termination, the Optionee is not

vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(c) Disability of Optionee. If an Optionee ceases to be a Service Provider as a result of the Optionee's Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Option Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for twelve (12) months following the Optionee's termination. If, on the date of termination, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(d) Death of Optionee. If an Optionee dies while a Service Provider, the Option may be exercised within such period of time as is specified in the Option Agreement (but in no event later than the expiration of the term of such Option as set forth in the Notice of Grant), by the Optionee's estate or by a person who acquires the right to exercise the Option by bequest or inheritance, but only to the extent that the Option is vested on the date of death. In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for twelve (12) months following the Optionee's termination. If, at the time of death, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. The Option may be exercised by the executor or administrator of the Optionee's estate or, if none, by the person(s) entitled to exercise the Option under the Optionee's will or the laws of descent or distribution. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(e) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Optionee at the time that such offer is made.

11. Stock Purchase Rights.

(a) Rights to Purchase. Stock Purchase Rights may be issued either alone, in addition to, or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. After the Administrator determines that it will offer Stock Purchase Rights under the Plan, it shall advise the offeree in writing or electronically, by means of a Notice of Grant, of the terms, conditions and restrictions related to the offer, including the number of Shares that the offeree shall be entitled to purchase, the price to be paid, and the time within which the offeree must accept such offer. The offer shall be accepted by execution of a Restricted Stock Purchase Agreement in the form determined by the Administrator.

(b) Issuance of Shares. After payment, the Shares purchased shall be duly issued; provided, however, that the Administrator may require that the purchaser make adequate provision for any federal and state withholding obligations of the Company as a condition to the purchaser purchasing such Shares.

(c) Repurchase Option. Unless the Administrator determines otherwise, the Restricted Stock Purchase Agreement shall grant the Company a repurchase option exercisable upon the voluntary or involuntary termination of the purchaser's service with the Company for any reason (including death or Disability). The purchase price for Shares repurchased pursuant to the Restricted Stock Purchase Agreement shall be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option shall lapse at a rate determined by the Administrator.

(d) Other Provisions. The Restricted Stock Purchase Agreement shall contain such other terms, provisions and conditions not inconsistent with the Plan as may be determined by the Administrator in its sole discretion.

(e) Rights as a Stockholder. Once the Stock Purchase Right is exercised, the purchaser shall have the rights equivalent to those of a stockholder, and shall be a stockholder when his or her purchase is entered upon

the records of the duly authorized transfer agent of the Company. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Stock Purchase Right is exercised, except as provided in Section 13 of the Plan.

12. Non-Transferability of Options and Stock Purchase Rights. Unless determined otherwise by the Administrator, an Option or Stock Purchase Right may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. If the Administrator makes an Option or Stock Purchase Right transferable, such Option or Stock Purchase Right shall contain such additional terms and conditions as the Administrator deems appropriate.

13. Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.

(a) Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each outstanding Option and Stock Purchase Right, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Options or Stock Purchase Rights have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option or Stock Purchase Right, as well as the price per share of Common Stock covered by each such outstanding Option or Stock Purchase Right, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option or Stock Purchase Right.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Optionee as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for an Optionee to have the right to exercise his or her Option until ten (10) days prior to such transaction as to all of the Optioned Stock covered thereby, including Shares as to which the Option would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option applicable to any Shares purchased upon exercise of an Option or Stock Purchase Right shall lapse as to all such Shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, an Option or Stock Purchase Right will terminate immediately prior to the consummation of such proposed action.

(c) Merger or Asset Sale. In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company, each outstanding Option and Stock Purchase Right shall be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation or a Parent or Subsidiary of the successor corporation refuses to assume or substitute for the Option or Stock Purchase Right, the Optionee shall fully vest in and have the right to exercise the Option or Stock Purchase Right as to all of the Optioned Stock, including Shares as to which it would not otherwise be vested or exercisable. If an Option or Stock Purchase Right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator shall notify the Optionee in writing or electronically that the Option or Stock Purchase Right shall be fully vested and exercisable for a period of fifteen (15) days from the date of such notice, and the Option or Stock Purchase Right shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option or Stock Purchase Right shall be considered assumed if, following the merger or sale of assets, the option or right confers the right to purchase or receive, for each Share of Optioned Stock subject to the Option or Stock Purchase Right immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or

sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option or Stock Purchase Right, for each Share of Optioned Stock subject to the Option or Stock Purchase Right, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

14. Date of Grant. The date of grant of an Option or Stock Purchase Right shall be, for all purposes, the date on which the Administrator makes the determination granting such Option or Stock Purchase Right, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Optionee within a reasonable time after the date of such grant.

15. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.

(b) Stockholder Approval. The Company shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Optionee, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Options granted under the Plan prior to the date of such termination.

16. Conditions Upon Issuance of Shares.

(a) Legal Compliance. Shares shall not be issued pursuant to the exercise of an Option or Stock Purchase Right unless the exercise of such Option or Stock Purchase Right and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) Investment Representations. As a condition to the exercise of an Option or Stock Purchase Right, the Company may require the person exercising such Option or Stock Purchase Right to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

17. Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

18. Reservation of Shares. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

19. Stockholder Approval. The Plan shall be subject to approval by the stockholders of the Company within twelve (12) months after the date the Plan is adopted. Such stockholder approval shall be obtained in the manner and to the degree required under Applicable Laws.

II. AGREEMENT

1. Grant of Option. The Plan Administrator of the Company hereby grants to the Optionee named in the Notice of Grant attached as Part I of this Agreement (the "Optionee") an option (the "Option") to purchase the number of Shares, as set forth in the Notice of Grant, at the exercise price per share set forth in the Notice of Grant (the "Exercise Price"), subject to the terms and conditions of the Plan, which is incorporated herein by reference. Subject to Section 15(c) of the Plan, in the event of a conflict between the terms and conditions of the Plan and the terms and conditions of this Option Agreement, the terms and conditions of the Plan shall prevail.

If designated in the Notice of Grant as an Incentive Stock Option ("ISO"), this Option is intended to qualify as an Incentive Stock Option under Section 422 of the Code. However, if this Option is intended to be an Incentive Stock Option, to the extent that it exceeds the \$100,000 rule of Code Section 422(d) it shall be treated as a Nonstatutory Stock Option ("NSO").

2. Exercise of Option

(a) Right to Exercise. This Option is exercisable during its term in accordance with the Vesting Schedule set out in the Notice of Grant and the applicable provisions of the Plan and this Option Agreement.

(b) Method of Exercise. This Option is exercisable by delivery of an exercise notice, in the form attached as Exhibit A (the "Exercise Notice"), which shall state the election to exercise the Option, the number of Shares in respect of which the Option is being exercised (the "Exercised Shares"), and such other representations and agreements as may be required by the Company pursuant to the provisions of the Plan. The Exercise Notice shall be completed by the Optionee and delivered to the Secretary of the Company. The Exercise Notice shall be accompanied by payment of the aggregate Exercise Price as to all Exercised Shares. This Option shall be deemed to be exercised upon receipt by the Company of such fully executed Exercise Notice accompanied by such aggregate Exercise Price.

No Shares shall be issued pursuant to the exercise of this Option unless such issuance and exercise complies with Applicable Laws. Assuming such compliance, for income tax purposes the Exercised Shares shall be considered transferred to the Optionee on the date the Option is exercised with respect to such Exercised Shares.

3. Method of Payment. Payment of the aggregate Exercise Price shall be by any of the following, or a combination thereof, at the election of the Optionee:

(a) cash; or

(b) check; or

(c) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan; or

(d) surrender of other Shares which (i) in the case of Shares acquired upon exercise of an option, have been owned by the Optionee for more than six (6) months on the date of surrender, AND (ii) have a Fair Market Value on the date of surrender equal to the aggregate Exercise Price of the Exercised Shares; or

(e) with the Administrator's consent, delivery of Optionee's promissory note (the "Note") in the form attached hereto as Exhibit C, in the amount of the aggregate Exercise Price of the Exercised Shares together with the execution and delivery by the Optionee of the Security Agreement attached hereto as Exhibit B. The Note shall bear interest at the "applicable federal rate" prescribed under the Code and its regulations at time of purchase, and shall be secured by a pledge of the Shares purchased by the Note pursuant to the Security Agreement.

4. Non-Transferability of Option. This Option may not be transferred in any manner otherwise than by will or by the laws of descent or distribution and may be exercised during the lifetime of Optionee only by the Optionee. The terms of the Plan and this Option Agreement shall be binding upon the executors, administrators, heirs, successors and assigns of the Optionee.

5. Term of Option. This Option may be exercised only within the term set out in the Notice of Grant, and may be exercised during such term only in accordance with the Plan and the terms of this Option Agreement.

6. Tax Consequences. Some of the federal tax consequences relating to this Option, as of the date of this Option, are set forth below. THIS SUMMARY IS NECESSARILY INCOMPLETE, AND THE TAX LAWS AND REGULATIONS ARE SUBJECT TO CHANGE. THE OPTIONEE SHOULD CONSULT A TAX ADVISER BEFORE EXERCISING THIS OPTION OR DISPOSING OF THE SHARES.

(a) Exercising the Option

(i) Nonstatutory Stock Option. The Optionee may incur regular federal income tax liability upon exercise of a NSO. The Optionee will be treated as having received compensation income (taxable at ordinary income tax rates) equal to the excess, if any, of the Fair Market Value of the Exercised Shares on the date of exercise over their aggregate Exercise Price. If the Optionee is an Employee or a former Employee, the Company will be required to withhold from his or her compensation or collect from Optionee and pay to the applicable taxing authorities an amount in cash equal to a percentage of this compensation income at the time of exercise, and may refuse to honor the exercise and refuse to deliver Shares if such withholding amounts are not delivered at the time of exercise.

(ii) Incentive Stock Option. If this Option qualifies as an ISO, the Optionee will have no regular federal income tax liability upon its exercise, although the excess, if any, of the Fair Market Value of the Exercised Shares on the date of exercise over their aggregate Exercise Price will be treated as an adjustment to alternative minimum taxable income for federal tax purposes and may subject the Optionee to alternative minimum tax in the year of exercise. In the event that the Optionee ceases to be an Employee but remains a Service Provider, any Incentive Stock Option of the Optionee that remains unexercised shall cease to qualify as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option on the date three (3) months and one (1) day following such change of status.

(b) Disposition of Shares

(i) NSO. If the Optionee holds NSO Shares for at least one year, any gain realized on disposition of the Shares will be treated as long-term capital gain for federal income tax purposes.

(ii) ISO. If the Optionee holds ISO Shares for at least one year after exercise and two years after the grant date, any gain realized on disposition of the Shares will be treated as long-term capital gain for federal income tax purposes. If the Optionee disposes of ISO Shares within one year after exercise or two years after the grant date, any gain realized on such disposition will be treated as compensation income (taxable at ordinary income rates) to the extent of the excess, if any, of the lesser of (A) the difference between the Fair Market Value of the Shares acquired on the date of exercise and the aggregate Exercise Price, or (B) the difference between the sale price of such Shares and the aggregate Exercise Price. Any additional gain will be taxed as capital gain, short-term or long-term depending on the period that the ISO Shares were held.

(c) Notice of Disqualifying Disposition of ISO Shares. If the Optionee sells or otherwise disposes of any of the Shares acquired pursuant to an ISO on or before the later of (i) two years after the grant date, or (ii) one year after the exercise date, the Optionee shall immediately notify the Company in writing of such disposition. The Optionee agrees that he or she may be subject to income tax withholding by the Company on the compensation income recognized from such early disposition of ISO Shares by payment in cash or out of the current earnings paid to the Optionee.

7. Entire Agreement; Governing Law. The Plan is incorporated herein by reference. The Plan and this Option Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Optionee with respect to the subject matter hereof, and may not be modified adversely to the Optionee's interest except by means of a writing signed by the Company and Optionee. This agreement is governed by the internal substantive laws, but not the choice of law rules, of California.

8. NO GUARANTEE OF CONTINUED SERVICE. OPTIONEE ACKNOWLEDGES AND AGREES THAT THE VESTING OF SHARES PURSUANT TO THE VESTING SCHEDULE HEREOF IS EARNED ONLY BY CONTINUING AS A SERVICE PROVIDER AT THE WILL OF THE COMPANY (AND NOT THROUGH THE ACT OF BEING HIRED, BEING GRANTED AN OPTION OR PURCHASING SHARES HEREUNDER). OPTIONEE FURTHER ACKNOWLEDGES AND AGREES THAT THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREUNDER AND THE VESTING SCHEDULE SET FORTH HEREIN DO NOT CONSTITUTE

AN EXPRESS OR IMPLIED PROMISE OF CONTINUED ENGAGEMENT AS A SERVICE PROVIDER FOR THE VESTING PERIOD, FOR ANY PERIOD, OR AT ALL, AND SHALL NOT INTERFERE WITH OPTIONEE'S RIGHT OR THE COMPANY'S RIGHT TO TERMINATE OPTIONEE'S RELATIONSHIP AS A SERVICE PROVIDER AT ANY TIME, WITH OR WITHOUT CAUSE.

By your signature and the signature of the Company's representative below, you and the Company agree that this Option is granted under and governed by the terms and conditions of the Plan and this Option Agreement. Optionee has reviewed the Plan and this Option Agreement in their entirety, has had an opportunity to obtain the advice of counsel prior to executing this Option Agreement and fully understands all provisions of the Plan and Option Agreement. SECURITY AGREEMENT

This Security Agreement is made as of _____, 19 ____ between IRIDEX Corporation, a Delaware corporation ("Pledgee"), and _____ ("Pledgor").

RECITALS

Pursuant to Pledgor's election to purchase Shares under the Option Agreement dated _____ (the "Option"), between Pledgor and Pledgee under Pledgee's 1998 Stock Plan, and Pledgor's election under the terms of the Option to pay for such shares with his promissory note (the "Note"), Pledgor has purchased _____ shares of Pledgee's Common Stock (the "Shares") at a price of \$ _____ per share, for a total purchase price of \$ _____. The Note and the obligations thereunder are as set forth in Exhibit C to the Option.

NOW, THEREFORE, it is agreed as follows:

1. Creation and Description of Security Interest. In consideration of the transfer of the Shares to Pledgor under the Option Agreement, Pledgor, pursuant to the California Commercial Code, hereby pledges all of such Shares (herein sometimes referred to as the "Collateral") represented by certificate number _____, duly endorsed in blank or with executed stock powers, and herewith delivers said certificate to the Secretary of Pledgee ("Pledgeholder"), who shall hold said certificate subject to the terms and conditions of this Security Agreement.

The pledged stock (together with an executed blank stock assignment for use in transferring all or a portion of the Shares to Pledgee if, as and when required pursuant to this Security Agreement) shall be held by the Pledgeholder as security for the repayment of the Note, and any extensions or renewals thereof, to be executed by Pledgor pursuant to the terms of the Option, and the Pledgeholder shall not encumber or dispose of such Shares except in accordance with the provisions of this Security Agreement.

2. Pledgor's Representations and Covenants. To induce Pledgee to enter into this Security Agreement, Pledgor represents and covenants to Pledgee, its successors and assigns, as follows:

a. Payment of Indebtedness. Pledgor will pay the principal sum of the Note secured hereby, together with interest thereon, at the time and in the manner provided in the Note.

b. Encumbrances. The Shares are free of all other encumbrances, defenses and liens, and Pledgor will not further encumber the Shares without the prior written consent of Pledgee.

c. Margin Regulations. In the event that Pledgee's Common Stock is now or later becomes margin-listed by the Federal Reserve Board and Pledgee is classified as a "lender" within the meaning of the regulations under Part 207 of Title 12 of the Code of Federal Regulations ("Regulation G"), Pledgor agrees to cooperate with Pledgee in making any amendments to the Note or providing any additional collateral as may be necessary to comply with such regulations.

3. Voting Rights. During the term of this pledge and so long as all payments of principal and interest are made as they become due under the terms of the Note, Pledgor shall have the right to vote all of the Shares pledged hereunder.

4. Stock Adjustments. In the event that during the term of the pledge any stock dividend, reclassification, readjustment or other changes are declared or made in the capital structure of Pledgee, all new, substituted and additional shares or other securities issued by reason of any such change shall be delivered to and held by the Pledgee under the terms of this Security Agreement in the same manner as the Shares originally pledged hereunder. In the event of substitution of such securities, Pledgor, Pledgee and Pledgeholder shall cooperate and execute such documents as are reasonable so as to provide for the substitution of such Collateral and, upon such substitution, references to "Shares" in this Security Agreement shall include the substituted shares of capital stock of Pledgor as a result thereof.

5. Options and Rights. In the event that, during the term of this pledge, subscription Options or other rights or options shall be issued in connection with the pledged Shares, such rights, Options and options shall be the property of Pledgor and, if exercised by Pledgor, all new stock or other securities so acquired by Pledgor as it relates to the pledged Shares then held by Pledgeholder shall be immediately delivered to Pledgeholder, to be held under the terms of this Security Agreement in the same manner as the Shares pledged.

6. Default. Pledgor shall be deemed to be in default of the Note and of this Security Agreement in the event:

a. Payment of principal or interest on the Note shall be delinquent for a period of 10 days or more; or

b. Pledgor fails to perform any of the covenants set forth in the Option or contained in this Security Agreement for a period of 10 days after written notice thereof from Pledgee.

In the case of an event of Default, as set forth above, Pledgee shall have the right to accelerate payment of the Note upon notice to Pledgor, and Pledgee shall thereafter be entitled to pursue its remedies under the California Commercial Code.

7. Release of Collateral. Subject to any applicable contrary rules under Regulation G, there shall be released from this pledge a portion of the pledged Shares held by Pledgeholder hereunder upon payments of the principal of the Note. The number of the pledged Shares which shall be released shall be that number of full Shares which bears the same proportion to the initial number of Shares pledged hereunder as the payment of principal bears to the initial full principal amount of the Note.

8. Withdrawal or Substitution of Collateral. Pledgor shall not sell, withdraw, pledge, substitute or otherwise dispose of all or any part of the Collateral without the prior written consent of Pledgee.

9. Term. The within pledge of Shares shall continue until the payment of all indebtedness secured hereby, at which time the remaining pledged stock shall be promptly delivered to Pledgor, subject to the provisions for prior release of a portion of the Collateral as provided in paragraph 7 above.

10. Insolvency. Pledgor agrees that if a bankruptcy or insolvency proceeding is instituted by or against it, or if a receiver is appointed for the property of Pledgor, or if Pledgor makes an assignment for the benefit of creditors, the entire amount unpaid on the Note shall become immediately due and payable, and Pledgee may proceed as provided in the case of default.

11. Pledgeholder Liability. In the absence of willful or gross negligence, Pledgeholder shall not be liable to any party for any of his acts, or omissions to act, as Pledgeholder.

12. Invalidity of Particular Provisions. Pledgor and Pledgee agree that the enforceability or invalidity of any provision or provisions of this Security Agreement shall not render any other provision or provisions herein contained unenforceable or invalid.

13. Successors or Assigns. Pledgor and Pledgee agree that all of the terms of this Security Agreement shall be binding on their respective successors and assigns, and that the term "Pledgor" and the term "Pledgee" as used herein shall be deemed to include, for all purposes, the respective designees, successors, assigns, heirs, executors and administrators.

14. Governing Law. This Security Agreement shall be interpreted and governed under the internal substantive laws, but not the choice of law rules, of California.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

1998 STOCK PLAN

RESTRICTED STOCK PURCHASE AGREEMENT

Unless otherwise defined herein, the terms defined in the Plan shall have the same defined meanings in this Restricted Stock Purchase Agreement.

WHEREAS the Purchaser named in the Notice of Grant, (the "Purchaser") is an Service Provider, and the Purchaser's continued participation is considered by the Company to be important for the Company's continued growth; and

WHEREAS in order to give the Purchaser an opportunity to acquire an equity interest in the Company as an incentive for the Purchaser to participate in the affairs of the Company, the Administrator has granted to the Purchaser a Stock Purchase Right subject to the terms and conditions of the Plan and the Notice of Grant, which are incorporated herein by reference, and pursuant to this Restricted Stock Purchase Agreement (the "Agreement").

NOW THEREFORE, the parties agree as follows:

1. Sale of Stock. The Company hereby agrees to sell to the Purchaser and the Purchaser hereby agrees to purchase shares of the Company's Common Stock (the "Shares"), at the per Share purchase price and as otherwise described in the Notice of Grant.

2. Payment of Purchase Price. The purchase price for the Shares may be paid by delivery to the Company at the time of execution of this Agreement of cash, a check, or some combination thereof.

3. Repurchase Option.

(a) In the event the Purchaser ceases to be a Service Provider for any or no reason (including death or disability) before all of the Shares are released from the Company's Repurchase Option (see Section 4), the Company shall, upon the date of such termination (as reasonably fixed and determined by the Company) have an irrevocable, exclusive option (the "Repurchase Option") for a period of sixty (60) days from such date to repurchase up to that number of shares which constitute the Unreleased Shares (as defined in Section 4) at the original purchase price per share (the "Repurchase Price"). The Repurchase Option shall be exercised by the Company by delivering written notice to the Purchaser or the Purchaser's executor (with a copy to the Escrow Holder) AND, at the Company's option, (i) by delivering to the Purchaser or the Purchaser's executor a check in the amount of the aggregate Repurchase Price, or (ii) by cancelling an amount of the Purchaser's indebtedness to the Company equal to the aggregate Repurchase Price, or (iii) by a combination of (i) and (ii) so that the combined payment and cancellation of indebtedness equals the aggregate Repurchase Price. Upon delivery of such notice and the payment of the aggregate Repurchase Price, the Company shall become the legal and beneficial owner of the Shares being repurchased and all rights and interests therein or relating thereto, and the Company shall have the right to retain and transfer to its own name the number of Shares being repurchased by the Company.

(b) Whenever the Company shall have the right to repurchase Shares hereunder, the Company may designate and assign one or more employees, officers, directors or shareholders of the Company or other persons or organizations to exercise all or a part of the Company's purchase rights under this Agreement and purchase all or a part of such Shares. If the Fair Market Value of the Shares to be repurchased on the date of such designation or assignment (the "Repurchase FMV") exceeds the aggregate Repurchase Price of such Shares, then each such designee or assignee shall pay the Company cash equal to the difference between the Repurchase FMV and the aggregate Repurchase Price of such Shares.

4. Release of Shares From Repurchase Option.

(a) _____ percent (_____ %) of the Shares shall be released from the Company's Repurchase Option [one year] after the Date of Grant and _____ percent (_____ %) of the Shares [at the end of

each month thereafter], provided that the Purchaser does not cease to be a Service Provider prior to the date of any such release.

(b) Any of the Shares that have not yet been released from the Repurchase Option are referred to herein as "Unreleased Shares."

(c) The Shares that have been released from the Repurchase Option shall be delivered to the Purchaser at the Purchaser's request (see Section 6).

5. Restriction on Transfer. Except for the escrow described in Section 6 or the transfer of the Shares to the Company or its assignees contemplated by this Agreement, none of the Shares or any beneficial interest therein shall be transferred, encumbered or otherwise disposed of in any way until such Shares are released from the Company's Repurchase Option in accordance with the provisions of this Agreement, other than by will or the laws of descent and distribution.

6. Escrow of Shares.

(a) To ensure the availability for delivery of the Purchaser's Unreleased Shares upon repurchase by the Company pursuant to the Repurchase Option, the Purchaser shall, upon execution of this Agreement, deliver and deposit with an escrow holder designated by the Company (the "Escrow Holder") the share certificates representing the Unreleased Shares, together with the stock assignment duly endorsed in blank, attached hereto as Exhibit A-2. The Unreleased Shares and stock assignment shall be held by the Escrow Holder, pursuant to the Joint Escrow Instructions of the Company and Purchaser attached hereto as Exhibit A-3, until such time as the Company's Repurchase Option expires. As a further condition to the Company's obligations under this Agreement, the Company may require the spouse of Purchaser, if any, to execute and deliver to the Company the Consent of Spouse attached hereto as Exhibit A-4.

(b) The Escrow Holder shall not be liable for any act it may do or omit to do with respect to holding the Unreleased Shares in escrow while acting in good faith and in the exercise of its judgment.

(c) If the Company or any assignee exercises the Repurchase Option hereunder, the Escrow Holder, upon receipt of written notice of such exercise from the proposed transferee, shall take all steps necessary to accomplish such transfer.

(d) When the Repurchase Option has been exercised or expires unexercised or a portion of the Shares has been released from the Repurchase Option, upon request the Escrow Holder shall promptly cause a new certificate to be issued for the released Shares and shall deliver the certificate to the Company or the Purchaser, as the case may be.

(e) Subject to the terms hereof, the Purchaser shall have all the rights of a shareholder with respect to the Shares while they are held in escrow, including without limitation, the right to vote the Shares and to receive any cash dividends declared thereon. If, from time to time during the term of the Repurchase Option, there is (i) any stock dividend, stock split or other change in the Shares, or (ii) any merger or sale of all or substantially all of the assets or other acquisition of the Company, any and all new, substituted or additional securities to which the Purchaser is entitled by reason of the Purchaser's ownership of the Shares shall be immediately subject to this escrow, deposited with the Escrow Holder and included thereafter as "Shares" for purposes of this Agreement and the Repurchase Option.

7. Legends. The share certificate evidencing the Shares, if any, issued hereunder shall be endorsed with the following legend (in addition to any legend required under applicable state securities laws):

THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO CERTAIN RESTRICTIONS UPON TRANSFER AND RIGHTS OF REPURCHASE AS SET FORTH IN AN AGREEMENT BETWEEN THE COMPANY AND THE SHAREHOLDER, A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY.

8. Adjustment for Stock Split. All references to the number of Shares and the purchase price of the Shares in this Agreement shall be appropriately adjusted to reflect any stock split, stock dividend or other change in the Shares which may be made by the Company after the date of this Agreement.

9. Tax Consequences. The Purchaser has reviewed with the Purchaser's own tax advisors the federal, state, local and foreign tax consequences of this investment and the transactions contemplated by this Agreement. The Purchaser is relying solely on such advisors and not on any statements or representations of the Company or any of its agents. The Purchaser understands that the Purchaser (and not the Company) shall be responsible for the Purchaser's own tax liability that may arise as a result of the transactions contemplated by this Agreement. The Purchaser understands that Section 83 of the Internal Revenue Code of 1986, as amended (the "Code"), taxes as ordinary income the difference between the purchase price for the Shares and the Fair Market Value of the Shares as of the date any restrictions on the Shares lapse. In this context, "restriction" includes the right of the Company to buy back the Shares pursuant to the Repurchase Option. The Purchaser understands that the Purchaser may elect to be taxed at the time the Shares are purchased rather than when and as the Repurchase Option expires by filing an election under Section 83(b) of the Code with the IRS within 30 days from the date of purchase. The form for making this election is attached as Exhibit A-5 hereto.

THE PURCHASER ACKNOWLEDGES THAT IT IS THE PURCHASER'S SOLE RESPONSIBILITY AND NOT THE COMPANY'S TO FILE TIMELY THE ELECTION UNDER SECTION 83(b), EVEN IF THE PURCHASER REQUESTS THE COMPANY OR ITS REPRESENTATIVES TO MAKE THIS FILING ON THE PURCHASER'S BEHALF.

10. General Provisions.

(a) This Agreement shall be governed by the internal substantive laws, but not the choice of law rules of California. This Agreement, subject to the terms and conditions of the Plan and the Notice of Grant, represents the entire agreement between the parties with respect to the purchase of the Shares by the Purchaser. Subject to Section 15(c) of the Plan, in the event of a conflict between the terms and conditions of the Plan and the terms and conditions of this Agreement, the terms and conditions of the Plan shall prevail. Unless otherwise defined herein, the terms defined in the Plan shall have the same defined meanings in this Agreement.

(b) Any notice, demand or request required or permitted to be given by either the Company or the Purchaser pursuant to the terms of this Agreement shall be in writing and shall be deemed given when delivered personally or deposited in the U.S. mail, First Class with postage prepaid, and addressed to the parties at the addresses of the parties set forth at the end of this Agreement or such other address as a party may request by notifying the other in writing.

Any notice to the Escrow Holder shall be sent to the Company's address with a copy to the other party hereto.

(c) The rights of the Company under this Agreement shall be transferable to any one or more persons or entities, and all covenants and agreements hereunder shall inure to the benefit of, and be enforceable by the Company's successors and assigns. The rights and obligations of the Purchaser under this Agreement may only be assigned with the prior written consent of the Company.

(d) Either party's failure to enforce any provision of this Agreement shall not in any way be construed as a waiver of any such provision, nor prevent that party from thereafter enforcing any other provision of this Agreement. The rights granted both parties hereunder are cumulative and shall not constitute a waiver of either party's right to assert any other legal remedy available to it.

(e) The Purchaser agrees upon request to execute any further documents or instruments necessary or desirable to carry out the purposes or intent of this Agreement.

(f) PURCHASER ACKNOWLEDGES AND AGREES THAT THE VESTING OF SHARES PURSUANT TO SECTION 4 HEREOF IS EARNED ONLY BY CONTINUING SERVICE AS A SERVICE PROVIDER AT THE WILL OF THE COMPANY (AND NOT THROUGH THE ACT OF BEING HIRED OR PURCHASING SHARES HEREUNDER). PURCHASER FURTHER ACKNOWLEDGES AND AGREES THAT THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREUNDER AND THE VESTING SCHEDULE SET FORTH HEREIN DO NOT

CONSTITUTE AN EXPRESS OR IMPLIED PROMISE OF CONTINUED ENGAGEMENT AS A SERVICE PROVIDER FOR THE VESTING PERIOD, FOR ANY PERIOD, OR AT ALL, AND SHALL NOT INTERFERE WITH PURCHASER'S RIGHT OR THE COMPANY'S RIGHT TO TERMINATE PURCHASER'S RELATIONSHIP AS A SERVICE PROVIDER AT ANY TIME, WITH OR WITHOUT CAUSE.

By Purchaser's signature below, Purchaser represents that he or she is familiar with the terms and provisions of the Plan, and hereby accepts this Agreement subject to all of the terms and provisions thereof. Purchaser has reviewed the Plan and this Agreement in their entirety, has had an opportunity to obtain the advice of counsel prior to executing this Agreement and fully understands all provisions of this Agreement. Purchaser agrees to accept as binding, conclusive and final all decisions or interpretations of the Administrator upon any questions arising under the Plan or this Agreement. 1995 EMPLOYEE STOCK PURCHASE PLAN
(AS AMENDED APRIL 13, 1999)

The following constitute the provisions of the 1995 Employee Stock Purchase Plan of Iridex Corporation (the "Company")

1. Purpose. The purpose of the Plan is to provide employees of the Company and its Designated Subsidiaries with an opportunity to purchase Common Stock of the Company through accumulated payroll deductions. It is the intention of the Company to have the Plan qualify as an "Employee Stock Purchase Plan" under Section 423 of the Internal Revenue Code of 1986, as amended. The provisions of the Plan, accordingly, shall be construed so as to extend and limit participation in a manner consistent with the requirements of that section of the Code.

2. Definitions.

(a) "Board" shall mean the Board of Directors of the Company.

(b) "Code" shall mean the Internal Revenue Code of 1986, as amended.

(c) "Common Stock" shall mean the common stock of the Company.

(d) "Company" shall mean Iridex Corporation, a Delaware corporation, and any Designated Subsidiary of the Company.

(e) "Compensation" shall mean all base straight time gross earnings and sales commissions, payments for overtime, shift premium, incentive compensation, incentive payments, bonuses, but exclusive of other compensation.

(f) "Designated Subsidiaries" shall mean the Subsidiaries which have been designated by the Board from time to time in its sole discretion as eligible to participate in the Plan.

(g) "Employee" shall mean any individual who is an Employee of the Company for tax purposes whose customary employment with the Company is at least twenty (20) hours per week and more than five (5) months in any calendar year. For purposes of the Plan, the employment relationship shall be treated as continuing intact while the individual is on sick leave or other leave of absence approved by the Company. Where the period of leave exceeds 90 days and the individual's right to reemployment is not guaranteed either by statute or by contract, the employment relationship will be deemed to have terminated on the 91st day of such leave.

(h) "Enrollment Date" shall mean the first day of each Offering Period.

(i) "Exercise Date" shall mean the last day of each Offering Period.

(j) "Fair Market Value" shall mean, as of any date, the value of Common Stock determined as follows:

(1) If the Common Stock is listed on any established stock exchange or a national market system, including without limitation the Nasdaq National Market of the National Association of Securities Dealers, Inc. Automated Quotation ("Nasdaq") Stock Market, its Fair Market Value shall be the closing sale price for the Common Stock (or the mean of the closing bid and asked prices, if no sales were reported), as quoted on such exchange (or the exchange with the greatest volume of trading in Common Stock) or system on the date of such determination, as reported in The Wall Street Journal or such other source as the Board deems reliable, or;

(2) If the Common Stock is quoted on the Nasdaq System (but not on the Nasdaq National Market thereof) or is regularly quoted by a recognized securities dealer but selling prices are not reported, its Fair Market Value shall be the mean of the closing bid and asked prices for the Common Stock on the date of such determination, as reported in The Wall Street Journal or such other source as the Board deems reliable, or;

(3) In the absence of an established market for the Common Stock, the Fair Market Value thereof shall be determined in good faith by the Board.

(4) For purposes of the Enrollment Date of the first Offering Period under the Plan, the Fair Market Value shall be the initial price to the public as set forth in the final Prospectus included within the Registration Statement filed with the Securities and Exchange Commission for the initial public offering of the Company's Common Stock.

(k) "Offering Period" shall mean a period of approximately six (6) months, commencing on an Enrollment Date and terminating on an Exercise Date. The first Offering Period shall commence on the effective date of the Company's initial public offering of its Common Stock that is registered with the Securities and Exchange Commission (the "Effective Date") and shall terminate on the last Trading Day of the month which is six months from the Effective Date. Thereafter, Offering Periods shall commence on the first Trading Day following termination of the prior Offering Period and shall terminate on the last Trading Day of the sixth month following commencement of such Offering Period.

(l) "Plan" shall mean this 1995 Employee Stock Purchase Plan.

(m) "Purchase Price" shall mean an amount equal to 85% of the Fair Market Value of a share of Common Stock on the Enrollment Date or on the Exercise Date, whichever is lower.

(n) "Reserves" shall mean the number of shares of Common Stock covered by each option under the Plan which have not yet been exercised and the number of shares of Common Stock which have been authorized for issuance under the Plan but not yet placed under option.

(o) "Subsidiary" shall mean a corporation, domestic or foreign, of which not less than 50% of the voting shares are held by the Company or a Subsidiary, whether or not such corporation now exists or is hereafter organized or acquired by the Company or a Subsidiary.

(p) "Trading Day" shall mean a day on which national stock exchanges and the NASDAQ System are open for trading.

3. Eligibility.

(a) Any Employee (as defined in Section 2(g)), who shall be employed by the Company on a given Enrollment Date shall be eligible to participate in the Plan.

(b) Any provisions of the Plan to the contrary notwithstanding, no Employee shall be granted an option under the Plan (i) to the extent, immediately after the grant, such Employee (or any other person whose stock would be attributed to such Employee pursuant to Section 424(d) of the Code) would own capital stock of the Company and/or hold outstanding options to purchase such stock possessing five percent (5%) or more of the total combined voting power or value of all classes of the capital stock of the Company or of any Subsidiary, or (ii) to the extent his or her rights to purchase stock under all employee stock purchase plans of the Company and its subsidiaries to accrue at a rate which exceeds Twenty-Five Thousand Dollars (\$25,000) worth of stock (determined at the fair market value of the shares at the time such option is granted) for each calendar year in which such option is outstanding at any time.

4. Offering Periods. The Plan shall be implemented by consecutive Offering Periods. The first Offering Period shall commence on the Effective Date and shall terminate on the last Trading Day of the month that is six months from the Effective Date. Thereafter, Offering Periods shall commence on the first Trading Day following Exercise Date of the prior Offering Period and shall terminate on the last Trading Day of the sixth month following commencement of such Offering Period. The Board shall have the power to change the duration of Offering Periods (including the commencement dates thereof) with respect to future offerings without shareholder approval if such change is announced at least fifteen (15) days prior to the scheduled beginning of the first Offering Period to be affected thereafter.

5. Participation.

(a) An eligible Employee may become a participant in the Plan by completing a subscription agreement authorizing payroll deductions in the form of Exhibit A to this Plan and filing it with the Company's Personnel Department office not later than one day prior to the applicable Enrollment Date.

(b) Payroll deductions for a participant shall commence on the first payroll following the Enrollment Date and shall end on the last payroll in the Offering Period to which such authorization is applicable, unless sooner terminated by the participant as provided in Section 10 hereof.

6. Payroll Deductions.

(a) At the time a participant files his or her subscription agreement, he or she shall elect to have payroll deductions made on each pay day during an Offering Period in an amount not exceeding ten percent (10%) of the Compensation which he or she receives on each pay day during the Offering Period.

(b) All payroll deductions made for a participant shall be credited to his or her account under the Plan and will be withheld in whole percentages only. A participant may not make any additional payments into such account.

(c) A participant may discontinue his or her participation in the Plan as provided in Section 10 hereof, but may not otherwise increase or decrease the rate of his or her payroll deductions during the Offering Period. A participant's subscription agreement shall remain in effect for successive Offering Periods unless terminated as provided in Section 10 hereof.

(d) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) hereof, a participant's payroll deductions may be decreased to 0% at such time during any Offering Period which is scheduled to end during the current calendar year (the "Current Offering Period") that the aggregate of all payroll deductions which were previously used to purchase stock under the Plan in a prior Offering Period which ended during that calendar year plus all payroll deductions accumulated with respect to the Current Offering Period equal \$21,250. Payroll deductions shall recommence at the rate provided in such participant's subscription agreement at the beginning of the first Offering Period which is scheduled to end in the following calendar year, unless terminated by the participant as provided in Section 10 hereof.

(e) At the time the option is exercised, in whole or in part, or at the time some or all of the Company's Common Stock issued under the Plan is disposed of, the participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock. At any time, the Company may, but will not be obligated to, withhold from the participant's compensation the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Common Stock by the Employee.

7. Grant of Option. On the Enrollment Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on the Exercise Date of such Offering Period (at the applicable Purchase Price) up to a number of shares of the Company's Common Stock determined by dividing such Employee's payroll deductions accumulated prior to such Exercise Date and retained in the participant's account as of the Exercise Date by the applicable Purchase Price. In no event shall an Employee be permitted to purchase on the Exercise Date of any Offering Period a number of shares greater than, as of the first day of the Offering Period, two times the Employee's initial payroll deduction amount times the number of payroll periods in the Offering Period divided by the per share Fair Market Value. Moreover, no Employee shall be permitted to purchase more than 1,000 shares in any twelve-month period. All such purchases shall also be subject to the limitations set forth in Sections 3(b) and 12 hereof. Exercise of the option shall occur as provided in Section 8 hereof, unless the participant has withdrawn pursuant to Section 10 hereof, and shall expire on the last day of the Offering Period.

8. Exercise of Option. Unless a participant withdraws from the Plan as provided in Section 10 hereof, his or her option for the purchase of shares shall be exercised automatically on the Exercise Date, and the

maximum number of full shares subject to option shall be purchased for such participant at the applicable Purchase Price with the accumulated payroll deductions in his or her account. No fractional shares shall be purchased; any payroll deductions accumulated in a participant's account which are not sufficient to purchase a full share shall be carried over in the participant's account into the next Offering Period. During a participant's lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her.

9. Delivery. As promptly as practicable after each Exercise Date on which a purchase of shares occurs, the shares shall be credited to an account in the participant's name with a brokerage firm selected by the Plan Committee to hold the shares in its street name.

10. Withdrawal; Termination of Employment.

(a) A participant may withdraw all but not less than all the payroll deductions credited to his or her account and not yet used to exercise his or her option under the Plan at any time up to two weeks prior to any Exercise Date by giving written notice to the Company in the form of Exhibit B to this Plan. All of the participant's payroll deductions credited to his or her account will be paid to such participant promptly after receipt of notice of withdrawal, such participant's option for the Offering Period will be automatically terminated, and no further payroll deductions for the purchase of shares will be made during the Offering Period. If a participant withdraws from an Offering Period, payroll deductions will not resume at the beginning of the succeeding Offering Period unless the participant delivers to the Company a new subscription agreement.

(b) Upon a participant's ceasing to be an Employee (as defined in Section 2(g) hereof) for any reason, he or she will be deemed to have elected to withdraw from the Plan and the payroll deductions credited to such participant's account during the Offering Period but not yet used to exercise the option will be returned to such participant or, in the case of his or her death, to the person or persons entitled thereto under Section 14 hereof, and such participant's option will be automatically terminated. The preceding sentence notwithstanding, a participant who receives payment in lieu of notice of termination of employment shall be treated as continuing to be an Employee for the participant's customary number of hours per week of employment during the period in which the participant is subject to such payment in lieu of notice.

(c) A participant's withdrawal from an Offering Period will not have any effect upon his or her eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the participant withdraws.

11. Interest. No interest shall accrue on the payroll deductions of a participant in the Plan.

12. Stock.

(a) The maximum number of shares of the Company's Common Stock which shall be made available for sale under the Plan shall be two hundred and fifty thousand (250,000) shares, subject to adjustment upon changes in capitalization of the Company as provided in Section 18 hereof. If on a given Exercise Date the number of shares with respect to which options are to be exercised exceeds the number of shares then available under the Plan, the Company shall make a pro rata allocation of the shares remaining available for purchase in as uniform a manner as shall be practicable and as it shall determine to be equitable.

(b) The participant will have no interest or voting right in shares covered by his option until such option has been exercised.

(c) Shares to be delivered to a participant under the Plan will be registered in the name of the participant or in the name of the participant and his or her spouse.

13. Administration.

(a) Administrative Body. The Plan shall be administered by the Board or a committee of members of the Board appointed by the Board. The Board or its committee shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Board or its committee shall, to the full extent permitted by law, be final and binding upon all parties.

(b) Rule 16b-3 Limitations. Notwithstanding the provisions of Subsection (a) of this Section 13, in the event that Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or any successor provision ("Rule 16b-3") provides specific requirements for the administrators of plans of this type, the Plan shall be administered only by such a body and in such a manner as shall comply with the applicable requirements of Rule 16b-3.

14. Designation of Beneficiary.

(a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to an Exercise Date on which the option is exercised but prior to delivery to such participant of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to exercise of the option. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the participant at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

15. Transferability. Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 14 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof.

16. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

17. Reports. Individual accounts will be maintained for each participant in the Plan. Statements of account will be given to participating Employees at least annually, which statements will set forth the amounts of payroll deductions, the Purchase Price, the number of shares purchased and the remaining cash balance, if any.

18. Adjustments Upon Changes in Capitalization.

(a) Changes in Capitalization. Subject to any required action by the shareholders of the Company, the Reserves as well as the price per share of Common Stock covered by each option under the Plan which has not yet been exercised shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration". Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an option.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Offering Period shall terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board.

(c) Merger or Asset Sale. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each option under the Plan shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, to shorten the Offering Period then in progress by setting a new Exercise Date (the "New Exercise Date") or to cancel each outstanding right to purchase and refund all sums collected from participants during the Offering Period then in progress. If the Board shortens the Offering Period then in progress in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify each participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for his option has been changed to the New Exercise Date and that his option will be exercised automatically on the New Exercise Date, unless prior to such date he has withdrawn from the Offering Period as provided in Section 10 hereof. For purposes of this paragraph, an option granted under the Plan shall be deemed to be assumed if, following the sale of assets or merger, the option confers the right to purchase or receive, for each share of option stock subject to the option immediately prior to the sale of assets or merger, the consideration (whether stock, cash or other securities or property) received in the sale of assets or merger by holders of Common Stock for each share of Common Stock held on the effective date of the transaction (and if such holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if such consideration received in the sale of assets or merger was not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Common Stock and the sale of assets or merger.

The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the price per share of Common Stock covered by each outstanding option, in the event the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of shares of its outstanding Common Stock, and in the event of the Company being consolidated with or merged into any other corporation.

19. Amendment or Termination.

(a) The Board of Directors of the Company may at any time and for any reason amend or terminate the Plan. Except as provided in Section 18 hereof, no such termination can affect options previously granted. Except as provided in Section 18 hereof, no amendment may make any change in any option theretofore granted which adversely affects the rights of any participant. To the extent necessary to comply with Rule 16b-3 or under Section 423 of the Code (or any successor rule or provision or any other applicable law or regulation), the Company shall obtain shareholder approval in such a manner and to such a degree as required.

(b) Without shareholder consent, the Board (or its committee) shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars (with respect to participants who are not United States residents), permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections (provided, however, that the Company may not withhold more than the aggregate amount of payroll deductions designated to be withheld by a participant in any Offering Period), establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Board (or its committee) determines in its sole discretion advisable which are consistent with the Plan.

20. Notices. All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

21. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

22. Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board of Directors or its approval by the shareholders of the Company. It shall continue in effect for a term of ten (10) years unless sooner terminated under Section 19 hereof.
